## The President's Treetop View

By Diane Lessard, President

Spring is a signal of new beginnings. As we spring forward, the trees are beginning to bud, plants are on the onset of blooming and business is looking up.

The upgrade of the outside lighting should be started by the end of March. I am looking forward to its completion.

We are planning another fundraiser at McKenna's Place on March 18th from 5:00 PM to 8:00 PM. If you missed the last one don't miss this one. This is a great way to support the Palmetto Club. Join us for dinner and socialization with your fellow members. Invite your friends, everyone is welcome. Who knows we may recruit some new members!

Don't miss our additional Bingo to benefit the Palmetto Club on March 23 at 11:30 AM. The profit will be used to fund our much needed projects. If you are unable to attend please purchase of at least one ticket to show support of our club.

Remember this is our club and we want to see the club grow not fade away. Our motto 'Why stay we on earth unless to grow' is fitting today as it was over 124 years ago when it was established.

As always, remember to be kind to one another.

Love, *Diane*
