

School-Age Classroom News

Virtual Classes are in full swing!

Our K – 2 students have become quite tech savvy with their awesome new tablets! They are now fully engaged in learning and navigating from classroom to specials and other applications! We are grateful to our 3rd and 4th graders who kindly helped the younger ones and continue to do so. Our kids make a great team!

Picture Day!

Students are off for teacher conferences Nov. 2 and 3. When they return on Wed., Nov. 4th, it is **picture day!** They will arrive at 7:30 and get their picture taken at the start of the day, so they are able to make their morning meetings by 8:00! Those who are unable to get their picture before 8 will take them at recess. Please check to make sure the completed picture day form is with your child on Wed.! (They were handed out a week ago.)

Headphones

Please talk with your child about his or her headphones. Several students are either not bringing them every day or are claiming the headphones are not working or are too uncomfortable to wear. It is essential to our success with virtual learning that students use headphones every day!

Dress for the Fall Weather

We will continue to go outside for fresh air as often as we can, so please make sure your child has warm clothing - jackets, mittens, hats and gloves each day!

UPCOMING MDO community project! Watch for the details that will be coming soon.

Other dates to note: Nov. 6 is the end of the first quarter; Nov. 25, 26, 27 is Thanksgiving recess!
