

2019 Chester County Council, BSA Day of Service

In celebration of our 100th Birthday, the Chester County Council, Boy Scouts of America is offering a special **Day of Service on April 13th at Willistown Township's Okehocking Preserve** (5316 West Chester Pike, Newtown Square, PA 19073) from 9:00AM to 12:00PM. The Chester County Council, Boy Scouts of America was chartered in January 1919. An important component of the Boy Scouts of America program is giving back to the community, and we are excited to partner with Willistown Township's Parks and Recreation Department to provide a meaningful day of service at Willistown's picturesque 185-acre Okehocking Preserve.

Okehocking projects include trail clearing, trail maintenance, vine management, and more.

To honor this centennial celebration, Scouts can earn the commemorative Fleur-de-lis Patch which is made of five separate patches. The fleur-de-lis, or lily flower, has special meaning to scouts as it was commonly used as the symbol for north on maps and a Boy Scout is to show the way through doing his duty and helping others. All who attend the special day of service at Okehocking will earn the center plume of the Fleur-de-lis—the Scout Service patch.

We look forward to seeing you on April 13th!

Please note: Rain Date April 14.

Postponement information will be posted on the Troop website, Chester County Council website, and Willistown Township websites.
