

## **Description**

In business since 1988, Vector Fleet Management provides comprehensive multi-year contracted maintenance solutions nationwide. Based in Charlotte, North Carolina, we operate multiple satellite offices at various contract sites across the country. Instead of striving to be the largest provider of fleet services, we focus on being the best. Maintenance is our 'one mission' and we know how to treat Technicians.

**Vector Fleet Management is currently looking for a Class A Diesel/EVT (Emergency Vehicle Technician) for day shift M-F, at our location in Big Spring, TX.**

- Must have the ability to diagnose and repair diesel powered medium / heavy trucks and occasional off-road equipment.
- The candidate needs to be a leader, self motivator and have the ability to interact with our dedicated customer.
- We are looking for a quality minded person that can deliver quality service to our customer.

## **Requirements**

A minimum experience of ten (10) years for Class A is required as well as the following:

- B class CDL/EVT Certification and ASE certifications a plus.
- Experience in medium or heavy diesel preventive maintenance, diagnostics, and troubleshooting, AC, electrical, and fuel systems.
- Must have the ability to perform preventive and repair maintenance on various types of Emergency Vehicles and apparatus.
- Must have acceptable driving record and pass drug test, background check.

## **What We Offer:**

- **Excellent pay for the right candidates**
- **Monday to Friday Dayshift hours**
- Paid Vacation and holidays
- FULL benefits (health, dental, and vision)
- 401k Plan
- Many other benefits.....

**Here's YOUR opportunity to work dayshift hours, Monday to Friday close to home for a great company! If you like what you see here, please APPLY NOW!**
