For the Meeting on Friday 9 September 2016

IMPORTANT NOTICE

***Due to the current renovation works at the Balgowlah RSL
the September meeting will be held at the
BALGOWLAH BOWLING CLUB
Bareena Drive,
Balgowlah Heights.***

Speaker's Corner: Our guest speaker for the September meeting is **Noel Phelan**, whose subject is:- **"The HMAS Melbourne and HMAS Voyager Collision"**. This was Australia's worst Peacetime Naval Disaster, occurring some 50 years ago, with the loss of 82 lives! Noel is representing the Australian National Maritime Museum, which offers a large range of Australian Maritime topics. To encourage our members to attend further addresses at their Museum, Noel has arranged a free family Pass (value \$75) as a Lucky Door Prize. In his working career, Noel was with IBM for some 25 years in various technical and management positions and gave presentations to Company Boards as well as conducted management training courses. This will be a very interesting examination of a tragic historical event, and will be supported by a PowerPoint presentation. Not to be missed!

Last month's Speaker was Ross Clements, on his subject **"Cracking Germany's ENIGMA Code in WW2"**. Ross has certainly researched his subject and his 'Working Replica' was quite fascinating! But more impressive was his enthusiastic delivery, which kept his audience riveted to their seats!! Ross is a member of Brookvale Probud Club and presently their Talks Officer.
