Hello everyone,

Well, if you didn't make it to the convention, you missed out. I was there only for the first few says (unfortunately work got in my way) but it was a great time. Mike Gassman had a Corvair powered airplane that arrived at the Welcome Party. Sorry I don't have many pictures but added some from our club members vehicles that participated. See Chuck's article for more details from the convention. Hope to see you at Dicky Peach Farms this Saturday.

Hello everyone, and welcome to the hot and humid August issue of the 'Vair Fax. Hopefully, we are on the downside of this dreadfully hot summer.

The 2022 International Convention is now history and is being hailed as one of the best conventions ever. The actual numbers haven't been released yet but judging from the amount of people that were seen at the various events all week, attendance and participation was spectacular!

Members from the five host clubs: Heart of GA Corvairs, Corvair Atlanta, Vulcan Corvair Enthusiasts, Queen City Corvair Club, and Upstate Corvair Club, all worked very hard to make this event a great success. Many thanks and much appreciation goes out to these people.

Congratulations go to Billy Bruce, the winner of the William Mitchell award. This award goes to the highest scoring Corvair in the Concours judging. Way to go, Billy! By the way, the winning car is a 1966 Monza convertible, a beautiful dark green in color. Billy was overheard to say that the Corvair belonged to Eleanor, but she lets him wash it!

The August meeting will be at Dickey Farms, in Musella GA, same place we met in June. Had a great crowd then, hope everybody can make it this month. Delicious BBQ, and wonderful peach ice cream!

We will be discussing the plans for an outing in September, along with Corvair Atlanta.

Take care,
see you at the peach farm,
Chuck
