Reminders for registration

- The link for the 2023 Spring and Summer workouts will be provided sometime this week.
- If you have swum for Excel in the past, **DO NOT CREATE A NEW ACCOUNT!** Log in with your existing credentials. Creating a new account will duplicate your family and we cannot merge the accounts later. Access to all historical information will be lost, including meet results. If you can't remember your log in, contact Active Network instead of starting over!
- Check your personal information carefully and make any necessary changes.
- To save time and avoid logging out and then back in to register a second swimmer, use the "add another registration" link in the checkout window.
- Save this link to your Swim Portal to check all meet entries and account information: <https://swimportal.active.com/?a=284194102>
- Enrollment in the 2022-2023 season does not guarantee a spot in the 2023 Spring and Summer season.

Billing Information

- You will have to pay in full for sessions when you register. There will be no additional fees.
- If you are a current Excel Swimmer or swam for a different USA Swimming team this year, you do not have to pay for a USA Swimming membership. Please select the 'Outreach' Membership.
- If you are new to USA Swimming, please select the 'Seasonal' Membership for \$37.50. The Seasonal Membership will cover both Spring and Summer programs should you choose to participate in both.

Waivers

- If you are a current Excel swimmer, you do not have to actively sign the waivers, please just click that you did. These are included for any new swimmers who did not participate in our current season.

Please let me know if you have any questions info@excelswimclub.org

Many thanks,
