Several workshops are limited as to number of participants and may require a facility fee or additional cost for supplies. These monies are to be sent DIRECTLY to the facilitator in order for your registration in that activity to be complete. Each person will also pay their own expenses for activities such as movies, lunch groups, happy hours, etc.

Facilitators will send an email announcement for their activities to those who have registered. A prompt response is appreciated so the facilitator can plan appropriate venues. Participants MUST RSVP for all activities they plan to attend.
