by EQT FOUNDATION

Thank you, EQT Foundation, for investing in our community's future!

### Flenniken Public Library Receives Grant from EQT Foundation to Support Community Programming

CARMICHAELS, PA (March 27, 2026) – Flenniken Public Library is pleased to announce it has received a generous grant from the EQT Foundation to support a full year of programming and services for the community.

The funding will enhance the library's ability to offer children's programming, expand access to digital materials through Hoopla, and host a variety of events throughout 2026. These initiatives are designed to promote literacy, lifelong learning, and community engagement for residents of all ages across Southeastern Greene County.

"We are incredibly grateful to the EQT Foundation for their continued support," said Nicole Mitchell, Executive Director of Flenniken Public Library and County Coordinator of the Greene County Library System. "This investment allows us to provide meaningful educational opportunities, expand access to digital resources, and create welcoming spaces where our community can connect and grow."

Programs supported by the grant include early literacy initiatives such as Story Time and Toddler Time, the library's annual Summer Reading Program, and a series of community events held throughout the year. In addition, Hoopla provides patrons with free access to digital books, movies, and educational content, removing barriers related to cost and transportation. The grant reflects the EQT Foundation's commitment to strengthening communities and improving quality of life through education and access to resources.

Flenniken Public Library remains dedicated to its mission of providing equal access to information, programs, and services that enrich the lives of Greene County residents.

# Murder Mystery Dinner

What a night!

We had so much fun with you all and we know you had just as much fun!  
Thank you to everyone who came out and made it such a great evening.  
Thanks to you, it was a smashing success!

# Story & Toddler Time

March was full of celebrations!

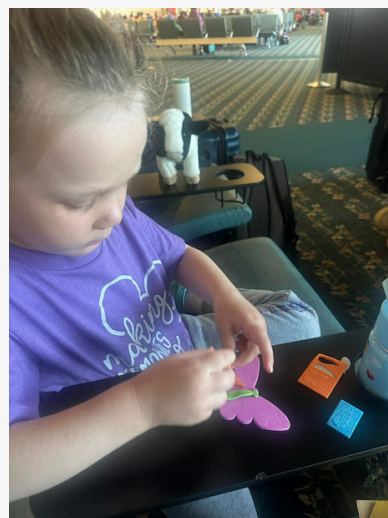

First, we started the month out with celebrating Dr. Seuss' Birthday, and Read Across America! We jumped into Horton Hears a Who and made silly Thing 1s and Thing 2s!

Then we decided to celebrate the end of winter and the end of hibernation for our furry friends! The kids brought in their Stuffedies for a sleepover at the library! Their stuffies sure did get up to some fun around here: climbing shelves and playing with Jane and Harriet! Of course we celebrated St. Patrick's Day, too! We made cute clouds and rainbows and had the best themed snacks while talking about leprechauns and pots of gold.

Lastly, we celebrated Easter! The Tuesday kiddos were so excited to talk about what they've gotten from the Easter Bunny in the past! They also LOVED the Bluey Easter book we had to read. They were telling us what was coming next with every turn of a page!

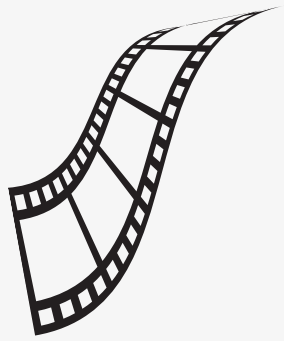

We also made cute little handprint bunnies, some of which we had hanging on the bulletin board for everyone to see as they walked through the door. It sure was a fun-packed month! Now we're onto April, the last one until Summer Reading starts again.

Take and Make Crafts on the go, wherever you go! From airports with delays to the park or even at home!

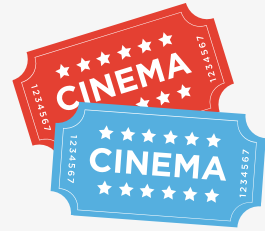

Available weekly in the Children's Room.
