**Quote &
History Tidbit**

Francis August Schaeffer

“You must not lose confidence in God because you lost confidence in your pastor. If our confidence in God had to depend upon our confidence in any human person, we would be on shifting sand.”

Born: January 1912 Germantown, Philadelphia, Pennsylvania USA

Schaeffer was a pastor, theologian, philosopher and author . One of his books titled *A Christian Manifesto* was summarized as follows; The United States began as a nation rooted in Biblical principles. But as society became more pluralistic, with each new wave of immigrants, proponents of a new philosophy of secular humanism gradually came to dominate debate on policy issues. Since humanists place human progress, not God, at the center of their considerations, they pushed American culture in all manner of ungodly directions, the most visible results of which included legalized abortion and the secularization of the public schools.
