Project Graduation will be held May 30, 2019 after the Graduation commencement. Students will be bused to a secret local venue. We are budgeting for 200 students of the over 300 Senior Class of 2019. PTO's mission is to provide an alcohol and drug free event keeping Saguaro seniors safe on Graduation night. Since 1991, Saguaro PTO, with the help of Community Sponsors, has organized and sponsored a safe, sober and fun senior graduation night event.
