USAT #4 Texas Shootout

As many of you know several of our archers made the trek to College Station TX for the final USAT of the season.

Every DSA archer had a strong showing.

Spencer Yee finished third in Compound Junior Men with his best USAT qual round of the year!

Grace Reed finished fourth in Compound Junior Women, her best USAT tournament finish to date!

Arvid Veidmark III made it to the quarter finals in Compound Master Men, he also shot his best USAT qual scores ever!

Heather Cuchiara went out in the 1/16 in Compound Women with her best USAT qual round score ever!

Reese Veidmark went out in the 1/16 in Compound Cadet women shooting in her first USAT ever and shot great!

Give these awesome archers a congratulations for an excellent tournament!
