

When I'm Dreaming

I got a hunger that's hard to feed.
I've got thoughts that just won't die.
I'm not fulfilling half of my needs.
I got desires not being satisfied.

But, when I'm dreaming,
 In my reverie.
When I'm dreaming
 In my fantasy
When I'm dreaming
 It's just you and me
When I'm dreaming
 Girl, and we're so free
When I'm dreaming
 Floating above it all
When I'm dreaming
 The world, it looks so small
When I'm dreaming

I've got a dream that's not being lived.
I've got a fantasy I can't make real.
I've got a thirst that can't be quenched.
I've got sensations that are hard to feel.

But, when I'm dreaming,
 In my reverie.
When I'm dreaming
 In my fantasy
When I'm dreaming
 It's you and me
When I'm dreaming
 Oh, and we're so free
When I'm dreaming
 Floating above it all
When I'm dreaming
 The world, it looks so small
When I'm dreaming

Walter Mitty's got nothing on me.
I can be anyone.
Cowboy Bob,
Indiana Jones,
A rock 'n roll star,
Sherlock Holmes
Casanova.
