**From Your
Florida District Directors
Fred and Karen Kennedy
(FL1-D, FL1-E2)**

Greetings All!

Is anybody else looking forward to spring? I know that I am! After the wild winter we've endured, especially the numerous cold spells, I am so ready for consistent warmth. I am so tired of being cold! I can't wait to tackle the many Spring-Cleaning projects on my To-Do list and the many trips to the local donation sites, where I can both drop off my excess stuff and find new treasures to take home... If I can only make more room in my garage to free up some actual working space, I'd be a happy man.

What other event happens this month? HMMM... Let me think...

The 2026 Florida Gathering of Friends for FUN!!! of course...

It's Rally Time! Are you ready? Do you have your patriotic costumes packed up and ready to go? Are you ready to have **FUN**? We have lots of games, competitions, guided rides, presentations, vendors, shows and **MORE!** Time is running out, so make your plans soon! If you've already made your reservations and registrations, you're all set and we will see you in less than 2 weeks! If you haven't, there's still a little time left, so hurry and book your room and send in your registration so you don't miss out!

Join us at the Best Western Gateway Grand Hotel in Gainesville for 3 days of **FUN**, Friendship and Frivolity! As you can see from the Rally Schedule (included in this issue) we have packed it with activities that will keep you as busy as you want to be. Get your team together to compete in the Bean Bag Baseball Tournament or Scavenger Hunt. You have your choice of guided rides and we've even added an additional incentive for attending presentations!

Karen and I and the rest of the Florida District Team, are eagerly awaiting to be your hosts as we celebrate this great nation's 250th Birthday!

We will be dressing the part and hoping you too will be showing your

(Continued on page 2)

(Continued from page 1)

patriotism by wearing your celebratory outfits too!

In closing, I'd like to take a moment to congratulate Elias Hayek for becoming the newest Chapter Director of Florida's Newest Chapter, FL2E Miami!!!

All it takes is one person to start a chapter and grow it into a close group of Friends for FUN and Safety!!! Welcome to the EWMA Family!

I've got to get back to rally preparations, so I'll leave it here...

Until we are together again,

Ride Safe... Ride Often... but most of all... RIDE!!!

 Presentations**

**2026 Florida District Rally
 Safety Presentations**

(Please read to the end for a surprise!)

We have a really great lineup of safety presentations by top-notch presenters for the Gainesville rally. These presentations are not the "old" presentations but are a fresh look at new safety topics selected by the presenters. Each presenter authored their own presentation. You will not be bored!

The presentations day/times have been deconflicted from the rides as much as possible. Here is the planned presentations schedule:

1. Age Effects on Motorcycle Safety - John Cain - Thursday, 2:00-2:50
2. Group Riding and Hand Signals - Dominick DeSiato - Thursday, 3:00-3:50
3. Escape Path Planning - Tim Poppell - Friday, 1:00-1:50
4. Bikes vs Trikes - Brian Richards - Friday, 2:00-2:50
5. Technology for EWMA Members - Mike Melton - Friday, 3:00-4:50
6. Birth of the Goldwing - Tim Miller - Saturday, 1:00-1:50

As in the past, the daily rally presentation schedule will be posted in the printed rally schedule and on a bulletin board just outside the Spring Hills Ballroom. Of course, I will continue my practice of making an ass of myself by verbally announcing each presentation throughout the hotel lobby!

This will be my last rally as your Assistant District Safety/Ride Coordinator for Safety Presentations. It sure would be nice if we could identify a replacement before the rally for a little over-the-shoulder training. Please consider volunteering to Dominick DeSiato and Fred Kennedy for this most rewarding position. If interested, please give me a call at 321-505-9772 or email jcain16@gmail.com to discuss. In a nutshell, the primary responsibility involves managing the safety presentations at the annual district rally in terms of who, what, where, when and how.

Now for the surprise. Each attendee at a safety presentation listed above will receive one participation ticket. Six tickets are possible for any one member. At the closing ceremony, one ticket will be drawn for a \$50 cash prize! You must be present to win.

Ride Safe!

**District Safety /
 Ride Coordinators**

Greetings to all!
RALLY RALLY RALLY
RALLY RALLY RALLY

Our Florida District Rally is quickly approaching on March 12th-14th, 2026 in Gainesville, FL. We will forgo our usual Safety Article and focus on the Rally. Our areas of responsibility will be the Rides and Presentations. There will be a lunch ride on Thursday to

the Conestogas Restaurant. This will be an approximate 1 hour leisurely indirect route through the countryside to the restaurant. After lunch you will have the option to ride directly back to the Host Hotel with an escort, or take another approximate 1 hour leisurely escorted ride through the countryside back to the Host Hotel. There will be a morning and an afternoon ride on Friday, and a morning ride on Saturday.

There will be Classroom Presentations throughout the day as well. These Presentations will provide you with valuable information to enhance your knowledge for safe operation of your motorcycle. As an added incentive to promote better attendance we will be offering a \$50 cash reward to one lucky attendant. At each Presentation

you will be given a special Raffle Ticket to put your armband number on and then place it into a container. For each Presentation you complete you will get a ticket. The more Presentations you attend the better your chance to win the \$50. The drawing for the winner of this event will be at closing ceremonies.

A Rally Schedule will be posted closer to the date of the Rally. When you receive the Schedule look and see which Rides and/or Presentations best fit your schedule. We are looking forward to seeing you at the Rally.

PS... a gentle reminder to Chapter Directors: if you have not turned in the Grand Prize Raffle Ticket money, please do so before the rally.

Ride Safe!

**MEMBERSHIP
 DEVELOPMENT**

Greetings. Ed and I have been asked to take on this new position in EWMA. As the representative from Florida, we will be working under VP John & Yvette Moravec.

Many Florida members already know us since we are EWMA charter members and on the Florida District Team. Ed organized and led the March Rally rides and now works as an Assistant District Director. I have been "The Game Room Lady" at each rally.

We have been riding as a couple since 2000, enjoying

many local, state, region rallies, cross country trips and attendance at each Rendezvous.

As we learn about our responsibilities for this position, we mostly look forward to talking and visiting with members

Popcorn Lover's Day

March 26, 2026

A healthy, gluten-free and GMO-free snack that contains some protein, popcorn has been a favorite of Americans for more than 100 years and its popularity has grown throughout the world in recent years. Now, Popcorn Lover's Day is here to encourage people to remember

what an incredibly tasty and convenient snack popcorn really is!

One of the easiest and most important things that can be done on Popcorn Lover's Day is to simply pop up some delicious popcorn and enjoy eating it! Whether it is made on top of the stove, in an air popper or in the microwave, this is the day to add a little butter, sprinkle a little salt, and celebrate the simplicity of this ancient food.

Nebraska is the US state that produces the most popcorn each year. In fact, their total amount of popcorn produced annually comes in at around 250 million pounds.

- The reason popcorn kernels pop when heated is because they are made up of around

4% water, which creates a small explosion.

- The kernels that are left at the bottom of the bag or pan after the rest of the popcorn is popped are called "old maids".

Visit the Valparaiso Popcorn Festival in Indiana

One great way to enjoy this day is to make plans to celebrate with tons of other lovers of this treat. Indiana is well known as a place that is favorable for growing popcorn, and the people there seem to love consuming it too. Although this popcorn festival typically happens in Valparaiso, Indiana in the autumn, Popcorn Lover's Day would be a good time to put it on the calendar.

It's A 250th Birthday Party!!!
