

Public Participation at Board Meeting

All regular and special meetings of the Board shall be open to the public except for executive sessions which may be convened as provided by policy. Because the Board desires to hear the viewpoints of the public, it shall offer suitable time at all meetings for the public to be heard.

Recognizing the responsibility for proper governance of NWBOCES and the need to conduct business in an orderly and efficient manner, the Board shall set a time limit for individual speakers.

To achieve orderly meetings the Board may regulate the conduct of the public and if any meeting is willfully disrupted by a person or group of persons, the Board, in accordance with law, may order the removal of such person or group from the meeting room and continue in session or may recess the meeting and reconvene at another time.

The Board chairman shall be responsible for recognizing all speakers, who shall properly identify themselves; for maintaining proper order; and for adherence to any time limit set. Questions asked by the public shall, when possible, be answered immediately by the chairman or referred to staff members present for reply; questions requiring investigation shall be referred to the Board or administrative staff for consideration and later response.

Members of the public will not be recognized by the chairman as the Board conducts its official business except when the Board schedules, in advance, an interim public discussion period on a particular agenda item.
