**\*VERY IMPORTANT\*** Remember that your code must be active (inactive if payment has not been made within 5 days of rental). This code is used at the customer entrance and you **MUST PRESS THE STAR KEY AFTER ENTERING THE NUMERIC CODE**. If you have any difficulties please call me at 540-260-9563.

Payments and contracts can be dropped off at the office drop box (see above for location). Cash, check, or money order accepted as I do not take credit or debit cards. Please allow 24 hours for the payment to be processed as the office is not staffed but when I am there. Please call me anytime as all calls get forwarded to my cell phone as my office hours are generally by arrangement. I am usually close by so I can meet with little notice.

Bring your own lock, I recommend the Master lock with combination on the bottom as keys get lost etc. and I do charge to cut off locks. Your unit has been cleaned and is secured by a plastic zip-tie. Bring something to cut or twist off the zip-tie and just throw to the ground as I will pick it up when making the inspection rounds.

When moving out be sure to leave me a note in the drop box at the office door or email me and **Please Do Not Ever Leave the Door to the unit Open**.

Again, Thank you so much for using my facility and do call if there are any questions or concerns.

Sincerely,

Bill Craft
