# GUIDING LIGHT: Alzheimer's Education for Faith Leaders

June 20, 2024 | 6 p.m.

Join us for an insightful virtual program designed to educate faith communities about Alzheimer's and dementia. This program aims to empower congregational leaders and members with the knowledge to recognize the signs and symptoms of Alzheimer's within their communities. This session will also cover practical ways to offer spiritual and emotional support, ensuring that faith communities can play a crucial role in the well-being of those living with Alzheimer's.
