Pastor's Corner

Happy Easter! Yep, it's still Easter. As a season, it lasts for 50 days (until Pentecost – "Pente" = 50 – the # of days the disciples waited for the Spirit to come in fullness). Thinking Easter is just one day ... well, it would be like thinking Jesus' appearances stopped at just Mary outside the tomb! Why would we limit ourselves to a single encounter with the risen Jesus ... when he's out and about, waiting to *walk with us* on the long road we've been trudging on ... when he's ready to come to us *in the "locked places"* we've hidden ourselves behind ... when he's ready to breathe his life and power into us ("Receive the Holy Spirit") ... when he's ready to gather more and more and bring us to a mountaintop and give us words of life that will sustain us for the challenges ahead? ... One day? ... *Really?* I don't think so. *[By the way, if you're not familiar with the various resurrection appearances I just referred to above, please go search for them at the end Matthew, Luke, and John – that's a GREAT "Easter egg" hunt].* So I hope I see you Sunday, and feel free to tell me, "Happy Easter."

As Puckety Church, we personally and collectively HONOR GOD

We are ecstatic to share the happy announcement celebrating with Zach Schafer and Gabrielle Lisella on the joyful occasion of their wedding on April 25, 2025 – Pastor Brian wants to commend both Zach and Gabby for how they kept the Lord at the center of all their preparation as well as the ceremony itself. May God bless you as you continue to honor him.

As Puckety Church we personally and collectively GROW IN FAITH

Congratulations to Owen and Jacob Taylor, Keira Manges, Brennen Sugajski and Jason Schwartz on their Confirmations! Also, to De'Var Lakshmanan. It took 13 weeks of study of the essentials of the Christian faith and particulars of the Reformed tradition, discussion, journaling, working with member mentors to put their faith in action, and developing personal statements of faith. Job well done! and ...

We CELEBRATE with Keira Manges and Owen Taylor on the occasion of their baptism!

As Puckety Church, we personally and collectively, IMPROVE OUR COMMUNITY & WORLD

***MUST special collection**

Puckety Church members donated **\$3,150** to the MUST Earthquake Relief Team!! David Lian's school shows how they are sharing God's love with many who are so desperately in need due to the recent earthquake. It should remind us how blessed we are to be able to send over \$3,000 to MUST to help them resolve other internal needs, so that they can focus on God's plan to use them to spread the gospel! From David Lian: "I wanted to take a moment to thank you for your generous support of \$3,150 for Hnin and the relief efforts for MUST. I received your contribution today, and it means a lot to us. I will keep you updated on how your support is being utilized."

This is a brief biography of **Grace Siang Nawl Chin**. Grace was born to Mr. Chit Htun and Mrs. Moe Moe Shwe. At just two months old, in 2014, she was admitted to Grace House, a nurturing environment established to care for children in need. Hnin Sandar Aye played a pivotal role in bringing Grace to this safe haven. For many years, Grace was lovingly cared for by Dr. Nu Nu Way, the founder and owner of Grace House. Throughout her time at Grace House, Dr. Way developed a deep affection for Grace, treating her as if she were her own child. Tragically, Grace's life took a difficult turn when Dr. Way was diagnosed with stomach cancer. She passed away in 2023, leaving a profound void in the lives of those she cared for. Following Dr. Way's passing, Grace's sister, Aye Lee, stepped in to take care of her and the other children at Grace House. Aye Lee worked diligently to manage the responsibilities of the ministry, but she faced challenges due to her limited resources. She found it difficult to provide the same level of care and support that Dr. Way had offered. In her efforts to ensure the well-being of the children, Aye Lee sought to reunite them with their relatives. However, Grace Chin, having no relatives to turn to, was placed in Agape House (at MUST) just yesterday. Grace had become accustomed to a certain level of comfort and often expresses her desire to return to her previous home. This transition may be challenging for her, and we are committed to showing her unconditional love and support during this time of adjustment. Our goal is to create a nurturing environment where Grace can thrive and feel secure, helping her to navigate the changes in her life with compassion and understanding.

***Meals 4 Children** – We have now had 6 distribution (2 in February, March, and April) so far, and are now preparing weekend meals for 17 students (a couple at the High School have been added to the number from Stewart, Bon Air, and Huston). We will do 2 more distributions this month, and a “bonus” distribution the last week of the school year to help free up space in the church, etc. Both Redemption Church and Grace Community Presbyterian have been active in partnering with us to make this happen, along with PACS (Pittsburgh Area Community Schools – which provides 20% of the food). Since only 3 churches are currently committed, we hope to use the break during the summer to approach local businesses in lieu of other community churches. Also, your donations to this cause help greatly, and will make it possible to increase to 25-30 students in the 2025-2026 school year.

***Dementia Caregiver Presentation** – We are working with Presbyterian Senior Care (Oakmont) to bring a professional to give a special presentation to help those caring for people with dementia/Alzheimer's. This one-hour presentation would be free to participants and hosted at Puckety Church. Do you have someone with a form of dementia in your family? Do you have a friend who could benefit from some education or resources in such care? We need your help to 1) narrow down ideal times for such a presentation (so a maximum of those interested can attend) and 2) help promoting and communicating the event. PLEASE contact the officer or Pastor Brian (724-678-6976) to sign up, ask questions, or volunteer to promote.

***Vitalant Blood Drive**

We need your HELP! Puckety has agreed to host a Blood Drive (using Faith Hall). Vitalant needs 20 people signed up before they will officially confirm the drive. Everyone's question will be: "When is it?" We want to have it at a time that maximizes the availability of the Hall and the schedules of donors. It will be a 5-hour event to allow flexibility. Right now, it will probably be a **Thursday (from 1:00 to 6:00 PM)**. The three options we're exploring are: *July 10th, 17th and 24th*. To make it simple, if you can sign up for one *or more* of these days for any hour in that timeframe, please sign the sheet in the hallway or let the office know. Once we have 20, we can further promote in the community. Each donor helps 4 people in need. Please join us in this way to help save lives.

Upcoming events:

*May 6th – **Community Connections** (Burrell SD event) at Huston Middle School – 5:00-7:00 PM. The Outreach Team could use some more volunteers to host our table during this time. Please contact Pastor Brian or Matt Wehrle to sign up for a 30 to 60 minute slot. Thank you.

*May 17th – **Spring Fling** - WE NEED VOLUNTEERS! Please see the sign-up sheet in the hallway and plug yourself in. It's only 2 hours on a Saturday afternoon (2-4) to help spread a little joy to the children in our community! Plus – you'll receive a free Tshirt to wear to the event while supplies last! Please take a flyer or 2 from the pile at each door to help spread the word to family/friends/neighbors with kids.

Youth Group

We just wrapped up our normal meetings for the year. Our last outing will be this week on May the 4th (Star Wars Day) where we'll be facing off with 'blasters' (laser tag) – Rebellion vs. the Empire + arcade fun.

*About half a dozen of the youth have signed up to help with the *Spring Fling* at Puckety on May 17th. Five of the youth are signed up to help one way or another with our *summer VBS* – June 16-20th.

I want to thank ALL our volunteers – your patience and commitment this year was invaluable to me. May God bless you. Thank you for your continued prayer for this ministry, and please pray each week this summer for the students (ask for a list of their names from Pastor Brian) so they continue to practice and grow in their faith in those “off” months.

**Because of you,
life doesn't stop!**

Puckety Presbyterian Church is interested in hosting a blood drive with Vitalant Blood Bank. For Vitalant to come out with a bloodmobile we need to identify 20 people to pledge to donate blood.

A pledge to donate would mean that you would try to donate during the blood drive if the date and time works for you. We are hoping to host the blood drive on a Thursday in July - more than likely 1-6pm. We will contact you back with how to make an appointment.

If you think you may possibly be able to donate please sign up on the sheet on the bulletin board or call/email the church office.

Are you or someone in your family currently a caregiver to someone with dementia/Alzheimer's? Do you know someone looking for help?

Presbyterian Senior Care (Oakmont) is offering to send an educator to give a special presentation to help with such care! This one-hour presentation would be held at Puckety (with a little extra time for any Q&A), and would be free to all. But we need YOUR help in: 1) *spreading the word* to those who would be interested and 2) helping us *narrow down good times* (July 28 or July 30th) for such a presentation. Please contact Pastor Brian if you're willing to help us promote this offering for our community – 724-678-6976. Look for coming info. and handouts.

It is hard to believe May brings us to another end of our Puckety choir season. Our weekly time together is so special and the months fly by. This year, we will be present at Pentecost on June 8 and on May 27 for the Redstone Presbytery meeting in the evening. We are looking to add a few more singers to our choir for that special meeting of the Presbyterian ministers. If you would like to join us in rehearsal during May for that service, let me or another choir member know. We want to raise the roof in PRAISE that evening! Many, many thanks for our dedicated choir members who shared in musical prayer each week.

FEEL FREE TO PICK UP A DISTRIBUTION FLYER FOR VBS AND OUR SPRING FLING!! THEY ARE AVAILABLE IN THE HALLWAY OUTSIDE THE OFFICES. TAKE THEM TO ANY LOCAL BUSINESS YOU FREQUENT OR GIVE THEM TO LOCAL FAMILIES WITH CHILDREN. THANK YOU!

A DEVOTION FOR YOU - Read *Hebrews 4:6-13*

I washed the kitchen knife, put it down for a moment and then picked it up to dry it. As I did so, I felt what seemed like a slight tickle at the end of one finger. I looked down, and to my surprise and alarm saw blood spurting out of a neat, straight cut across the end. [*For those of you who own Cutco cutlery, you probably have learned not to 'lose them' in soapy water – hint, hint – they are SHARP*]. The sharper a blade is, I discovered, the less you feel when you cut yourself. It had gone straight through skin and into flesh with no trouble at all! That's the image Hebrews is using in verse 12 of ch. 4 to describe the effect of God's Word in someone's life. It's sharp enough to go straight in, almost without you realizing it. The difference is that the writer isn't talking about a carving knife, but a sword (double-edged), a weapon that would not just cut into a finger but could very easily go right through your body, into your heart. No escape. As one of Wiebke and my favorite hosts on the show, *Forged in Fire*, says as he slices into a body dummy: "It will CUT!" ... "Uh, ok" someone says, "what about some protection or body armor or something ... to stop the blade?" Nope. Nothing. Verse 13 is quite clear: when it comes to God and his Word, there is nowhere to hide. We shall all one day have to make an account of our lives, our inner lives and outer lives alike. Hebrews doesn't seem to be a very relaxing book, does it? I think the kids today would say, it has "no chill." Perhaps. But it's necessary for us today.

Many of you know we just started a sermon series on the Epistle of *Hebrews*. If you haven't yet, again I challenge you to read the whole letter (in one day if possible) before this coming Sunday, making a two-columned list, marking down "Major themes" on one side as you read, and jotting down "My Questions" on the other side. People think Hebrews is a "hard" letter. I hope you'll join me in seeing it is still powerfully relevant in helping us fix our eyes on Jesus – our "True North" (intentional reference to our summer VBS as the series is gearing up for it).

What our author does not want to see happen is for any of us to grow dull or be left to wander, so that by a steady erosion of belief, we result in *unbelief*, and finally fail to enter the "rest," the beautiful destination our Pioneer has blazed the trail to. If it's "relaxation" you want, don't expect too much of it in the present Christian life – God gives us the Sabbath each week so we don't burn out spiritually, but this life will still require a lot of cutting through the thorns and thistles. But remember that you are promised a REAL rest at the end. The road to that 'rest' is labelled "belief" ... "trust" ... "holding on" ... "firm grip on the confession of faith" ... and so on. God's Word (the 'double-edged sword' here) is the combination of the ancient, inspired Scriptures (one side) and the message about how they all have come true in Jesus (the other side, if you will) – do you see how we need both? One final thought – I see the sword of God's Word to be a lot like Jesus the evening of Easter day. Though the doors were locked – though the "believers" were afraid and wandering off the trail into unbelief – Jesus (the Word of God) penetrated right through the doors and then their fears. He came with the kind of grace only God can give – to rebuke their fear, but then to breathe peace upon them (two times by the way, as if to say his "Rest" is bigger, stronger, than their fear.) Like that, though Hebrews is a warning, it is also a great encouragement. If you have a choice between letting the doctor see you right away, and waiting until he can do a post-mortem on you ... it's wise to go for the first. If you open yourself, day by day, week by week, to the message of Scripture, its grand sweep and intimate details, and allow Jesus' faithful achievement to penetrate into your imagination and heart ... to know that gentle and powerful Touch ... a very sharp and fine blade ... but more like a scalpel, it's purpose is to heal – or to use Jesus' own image about his Father as a Gardener (John 15), the purpose of the pruning shears is to "cleanse" so that the branches will bear even more fruit.

- Pastor Brian

Manse Sewer Line Repair

As you may remember in February of this year, the manse sewer line was blocked by roots that had grown through the terra cotta pipe that connects to the city mainline sewer. Of course, when such a block in the line occurs water, and related material backs up into the basement of the residence. This has happened several times before over the course of many years, but the frequency was becoming problematic, because it creates an immediate need for a thorough Herculean clean-up. Such an event can also have serious health implications.

The grinding out of the roots in the line is only a temporary solution, ultimately the right thing to do was replace the terra cotta sections of the pipe. Prior to this time, five bids were received and reviewed by Upkeep. With Upkeep's recommendation, the repair was approved by Session. The repair was done on April 17th and 18th by Arnold and Sons Plumbing of Natrona Heights for \$5000. Upkeep felt this was an extremely fair price. Arnold and Sons took into consideration that we were a church and this was an unbudgeted expense.

The roots should not be able to penetrate the sections of PVC piping and the new epoxy blown- in piping sections. The epoxy system is a relatively new process that needs only limited excavation.

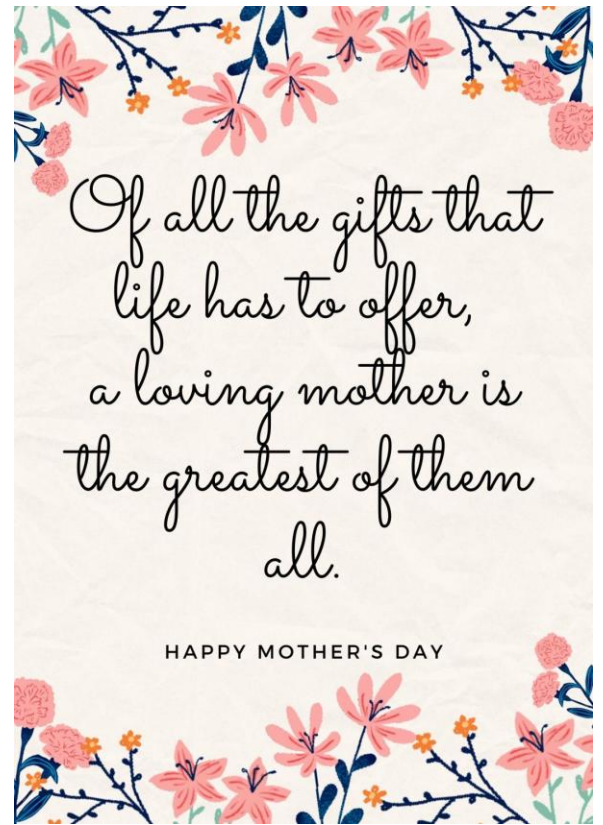

We wish to thank Brian and Weibke for their hard work and patience while dealing with this matter.

There is also an RSVP sign up sheet for this wonderful celebration of De'Var in the hallway!

From the AV Team to the Church:

As experienced on Sunday April 27th the lack of volunteers for the Sound board position can cause major issues in presenting worship as we would all like to. To you in the seats it may have appeared to go off with little issue, in the back room there was stress, anxiety and some panic as we all scrambled to fill in a spot that we have not been trained for. This situation was unfair and completely avoidable for a congregation with many able hands that are not currently plugged into a ministry involved in worship. Running the sound board is a key component to worship in house AND to those who worship with us remotely. We need more help in this position to ensure that what happened this past Sunday does not happen again. If you are not currently in the choir, the praise team or a deacon please take time this week to prayerfully consider if you can donate 1 1/2 hours every 4-5 Sundays to ensure that no other AV volunteer is overtaxed with responsibility to ensure worship is presented well. Thank you to all of those who responded to my call and came back and offered to help as best they could. Please let Pastor Brian or Wiebke Kilbert know if you would like to take up the call to be trained on the sound board and join the AV team.

We need volunteers! Please take a look on the bulletin board in the hallway and plug yourself into an open slot! Help us to spread a little free fun and kindness to the local children.
