## Is your membership Current?

Please check your mailing label. The year displayed after your name indicates the calendar year through which your membership is paid. For example, “2025” indicates a membership paid through Dec. 31<sup>st</sup>, 2025.

A renewal would be necessary to participate in 2026 activities.

NEKBA will not send an automatic membership renewal when your membership expires. We make every attempt to notify our members of their expiring membership status on the newsletters and via email. We do understand extenuating circumstances and financial difficulties. If you are have a situation and would like to continue, please contact the treasurer to make arrangements. To avoid lapses, it is encouraged that you prepay your membership for several years in advance.
