- Points:** 100 Points using Dynamic points for Mid-War 2025, located here: [Mid-war-Dynamic-Points-2025-Final.pdf](#) or as per the Forces of War website located here: [Flames of War v4 Forces](#)
- Lists:** Submitted in any legible format, with a preference for FOW Forces. Japanese is allowed, though not released yet, it is anticipated that it will be available prior to BRISCON. At least one Japanese Army will be deployed regardless. Lists are due no later than May 12.
- Terrain:** All Terrain will be supplied by the organisers, players should discuss the terrain and mutually agree before the start of play. If there is a dispute, a TO will decide
- Battle Plans:** Attack, Defend or Manoeuvre. Each plan may only be selected a maximum of two times over the course of the tournament, therefore, you will play each plan at least once. Prepare your lists accordingly, this tournament is about finding the best all-around player. Previously chosen battle plans will be recorded on players lists and be available to opponents before choosing. Could make for an interesting last round with everything to play for!

- Missions:** The extended missions from September 2024 will be used, a copy has been uploaded to the group FB page.
- Charity:** Soldier on will be the supported Charity at this FOW event. Accordingly, re-rolls will be available for purchase (Cash only) at the rate of 5\$AUD per re-roll or 20\$AUD for five re-rolls. Only one re-roll is permitted per game, re-can only be applied to your own dice and you can't re-roll a re-roll, so while you could end up with two re-rolls per game, if you have a Lucky card or equivalent, you would have to use them separately. A copy of the receipt of donation will be posted on the FB Group Page post tournament.
- Draw:** There will be no grudge matches, Draw will be done by random selection in the first round and swiss-chess thereafter. I will not draw regular playing opponents for the first two rounds.
- Bye:** If required, the Bye player will be awarded an 8-1 win for the purposes of the draw. At the end of the tournament, byes will be replaced by an average of the players other tournament results, for the purpose of determining the final placings.
- Spirit:** I and the other TO's are playing TO's, so be kind to each other, I understand that everyone is trying to win, and sometimes not everyone is at their best. The first choice of prize will go the player that was voted best Sport by the other players. So even if you are having a so so tournament, you could still walk away with the best loot.
