### **What is a “Clinic and Compete”?**

It is exactly what it sounds like. An hour clinic, a group of three riders, which finishes in competing against each other. Rosettes for all!

### **The Rules**

Competition will be run under current rules of the governing bodies.

The judge’s decision is final. If there is a tied score, the judge will appoint the higher place to the person they feel has improved the most during the clinic.

All horse droppings must be cleared up from the parking area.

Dogs must be kept on leads at all times.

Our parking is limited. Please park with consideration for others.

Jumping may take place in our enclosed grass jumping paddock, if the ground is suitable.

LME accept no liability for injury or accident to horse, rider or vehicle.

Depending on entries, it may be possible to have riders competing at different tests in the same group.

You are required to wear a hat that conforms with the current safety standards. It is recommended that you wear a body protector for the show jumping, but this is not compulsory.

Remember to enjoy yourself!

### **Admin**
