

Come Around

Rachael Martin 2.6.15

Come around here and sit down! You are always looking around you! Yes you, the one that's looking for something else to do because nothing ever gets done on time or done right! Most of these things that you worry about will take care of themselves if you will only spend more time with Me. I have answers that you can't get by trying to make everything line up your way. I can stop time, surely I can make it work for you!

Come around here and sit down! I want to hear what's on your heart. I want to know your concerns and thoughts. I have something for you. I never come empty handed to My sons and daughters in need! I have treasures that have yet to be unlocked and you are the one I have chosen. I have keys that have yet been used, My pockets run deep!

Come around here and sit down! Stop looking for answers in the places where I've shut the door. If you haven't got an answer come back to Me until you get it because I will never let your desires waste away. Stay with Me a while so you can take back a healthy amount of Peace and Wisdom, they wait for you to take of their measure too!

Come around here and sit down! I love you! I don't want to see you hurting and confused. When you call out My name – THERE I AM. My Son tells me He gave you authority and I delight in knowing you are walking in it! I have chosen you and you are very important to Me, come and see how much I love you. I enjoy waking you up each morning to hear you talk to Me – I love hearing what you have to say!!

Come around here and sit down! Tomorrow will take care of itself and today is fleeting – My love for you though – well.... My love for you is forever. Take Me with you and tell others about Me. My love is big! Holy Spirit will be by to comfort you and guide you, He has a way of being right on time so you can expect Him when you need Him most.

Come around here and sit down! Let's talk about GREAT THINGS.

Psalm 84:11 – For the Lord God is a sun and shield; the Lord bestows favor and honor. No good thing does He withhold from those who walk uprightly.

Love,
God of the Universe
Your Father
