

# TOWN OF \_\_\_\_\_ MARBLE

## 2023 Master Plan Committee Application

The expectations of the 2023 Master Plan Committee members are to attend 1-2 monthly committee meetings and 3-5 annual public meetings. Members will be encouraged to engage with all citizens of the community about issues and concerns pertaining to the future of Marble. In the duration of the year, there will be independent reading, research, and thought to assist in developing the Master Plan. The hopes are to diversify the committee with a mix of Marble residents and unincorporated residents, all may apply.
