

Mary's Morning Message

The 3/11 Energetic-Gateway

As the Universal Shifts keep Shifting Us, we continue to **Trust** the Process of Elimination, Letting Go, and Releasing what no longer sustains us. By **Releasing**, we ultimately begin to open and **Receive** the **Keys** of our next **Energy Experience**.

3/11 Opens up another **Energetic-Gateway**. A Gateway of Encouragement to walk through it with **Grace and Ease**.

You may ask why **3-11** is so special, why is it so different from any other day? Well as the **Stars align**, we are **Emerging Energetic-Gateways** to our New Begin. Today is a **Birthing** into an **Energy Experience** of Crafting and Creating. It can be a Very Positive Outcome *if* we Choose it to be.

3/11 is Streamlining Energy Frequency, as a **Currency Connector** to a Higher Field of **Consciousness**. We are able to **Collect Goodies** today, *just by being in this Energy Experience*. These **Goodies** are simply **Activated** by letting go of 'outside' disturbances and **turning inward** while in the **Stillness to Receive**.

In Numerology, **2018** is an **Eleven-Year**. **11** is a Significant and Spiritual number, which has been a factor in many world events. This year of **11**, offers us an ability to **'tolerate'** these world changes, and to become more at ease with an old societal energy that is beginning to **'fade-away its shades of gray'**.

3/11 is a **Springboard** to manifest your greatest desires through a continual dedication of **Following-Through**. The **3** Intertwines into this **11**, as a Personal Desire to Expand and Unite. 2018 is a **Master Number 11 Year**, and the **Spiritual Messengers** are Awakening as **Clear Conduits** and **Channels of Peace**.

This **New Energy of 3/11**, supports those on this **Spiritual Springboard** to an **Advancement** in this **Awakening**. As we discern what still needs to be changed, we engage in a self-empowerment enabling us to succeed. As we go through these personal lessons, we grade them as a living test of failure or success. Either way, these lessons have, and will lead us to the **Gateway of Goodness**. We are advanced forward to Receive the **Keys** of Accomplishments, New and Loving Relationships, and an Awakening from within, to our New Beginning.

3/11 is a very **'subtle'** day, to help **Aid and Assist** any **Knots** to **Untwist** that may be binding the **Seven Seals** (chakras) from **Receiving**. In the days and months ahead, we will be **'strengthening'** our Abilities, as we Position ourselves as **Peace Keepers** of this New Garden.

If we look into the **Energy Fields of Light**, everything is about **Crafting and Creating** the **BRAND NEW**. It is so important to Let go of the Old, **let bygones, be bygones**, and **Release** what can no longer be brought forward.

This Day is a VERY positive and influential experience, it helps us in the **Illumination** process, as we are in a continual rotation of new and vibrant light. We can feel the freedom, and the excitement as we move closer to the 5th Dimensional Experience.

The 3/11 Energy Experience is also a reminder that we are **"Star Seeds"** born from constellations of this Great Universe. As Star Seeds, we have come to this Big Blue as entities with great knowledge and wisdom, carrying Star Codes embedded deep within our cellular makeup, just waiting to be Awakened.

3/11 is a type of formula to lift, ascend, and enlighten us.

3 is a triad, a trinity, **3** means “all”, it is a frequency of the “whole”, it contains the beginning, a middle and an end. **3** is creative power and growth, **3** is energy moving forward, rising, lifting. **3** is the heavens, earth and waters, it is body, soul and spirit, **3** is birth, life and death, it is past, present and future, a complete cycle. In the world of symbols, we see the trident, the triangle, the fleur-de-lie, trefoil as **3** lines are connecting a complete alignment. In Death, the astral or emotional body stays connected to the physical body for **3** days, leading the spirit to ascend on its **3rd** day. **3** Is a walk-about, a sojourn, a journey. The number **3** denotes Divine Alignment.

The Number 11 of this actual day and 11 of this actual year, is a DOUBLE frequency. It is the double TOWERS of Heaven and EARTH. It is the masculine, feminine in its complete balance.

This spiritual WAVE **Connects, Illuminates, and Unites** us.

3/11 is a thoroughfare to a great sense of knowledge and wisdom.

Today we Accelerate, and leap into a quantum journey on Faith and Trust.

As the Moon and Constellations are in an alignment of this Date **3/11**, it is the **11** that sets us free, it is the Key that unlocks the **Mystery's** through the **Mastery** of Oneness.

May you be Abundantly Gifted with Grace and Love.

May you be given the Energy to sustain and remain in Balance.

May you be willing to Peacefully let go, and open to Receive.

May you know that you are loved and cared for.

May you Breathe the Breath of Calmness and Continue to Connect to the Higher Consciousness of Christed Love and Light.

May all things be a source of peace to us.

And may peace within thyself, bestow peace upon all that is.

And So It Is.
