To:

Love is infectious,
just like COVID.

From:

To:

Happy Valentine's Day
to my quarantine inmate.

From:

To:

You still have my heart,
even from six feet apart.

From:

To:

Spread love, not COVID.

From:

To:

I love you more
than toilet paper!

From:

To:

Will you be my Quarantine?

From:

To:

I miss your face, Valentine!

From:

To:

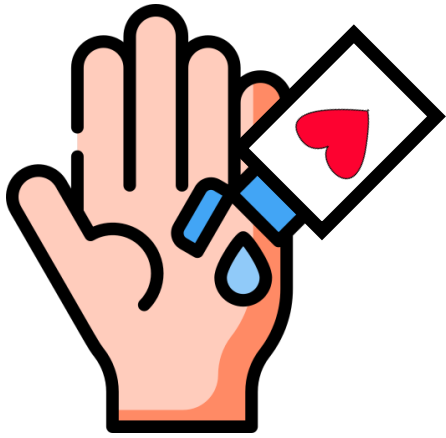

We are in this together.

To:

Vaccine is my Valentine!

To:

Couples who isolate together,
stay together.

To:

I can't mask my love for you.

To:

We go together like toilet
paper and hand sanitizer.

From:

From:

From:

From:

To:

You're essential to me!

To:

I would only quarantine
with you!

To:

There's no one I'd want to
quarantine with,
except my Valentine!

To:

If we can survive
lockdown, we can
survive anything!
