

CONNECT Business Challenge Committee Report

Committee: Student Business Challenge Committee

Chair: Nora Vacariu Webster

Email: connectbusinesschallenge@mccpta.org

Meetings/Events attended

- Montgomery County Council youth town hall (November 13th)
- MCCPTA Board Meeting (November 14th)
- MCCPTA DA – (no meeting in November)

Summary of Recent Committee Activities

- Following the finalization of the flyer, we posted the Student Business Challenge announcement on the MCCPTA DA listserve and asked MCCPTA Board members at the November BOD to support the program and spread the word about this great opportunity for middle school students.
- MCPS also directly contacted middle school principals confirming the MCPS support for the program.
- We confirmed the date and location of the final event (business pitch competition). The pitch competition is scheduled for April 30th at the JA Finance Park® (Thomas Edison High School of Technology).
- We are in the process of finalizing the program registration logistics and the teacher training dates.

Correction

Please note that the final event, the business pitch competition, will take place on April 30th and not on May 30th, as previously indicated.
