The Town of Parsonsfield wishes to thank Mike Sandahl and Don Winslow for their years of service to the Town.

Among other positions, they have both served many years on the Planning Board and Appeals Board.

It is through the efforts of residents like Mike and Don that we are able to maintain our municipal operation.

Thank you!

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the "Military Widow's Tax," an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people's health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine's Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation's premiere biomedical research institution, including significant boosts for Alzheimer's disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation's crumbling infrastructure and ensure that Maine's housing needs are addressed. For Maine's roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee's Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS' Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

Dear Friends,

I hope this letter finds you well. It's a privilege to represent you and your family and I am thankful for the opportunity to update you on my work in Washington and Maine.

In 2019, I was honored to work with my colleagues to pass hundreds of bills that address everything from fighting climate change to raising the minimum wage. And while Congress has become an increasingly partisan place, I was proud to continue my habit of reaching across the aisle, introducing a number of bipartisan bills and cosponsoring even more.

On the House Appropriations Committee, I worked to support programs important to Maine, such as rural broadband investment, Head Start, PFAS clean up, and shipbuilding at Bath Iron Works. Further, I firmly believe we need to make substantial investments in all aspects of our infrastructure, from safe drinking water and modernized schools, to upgraded highways, transit, and rail. From my seat on the Appropriations Committee I advocated for increased funding for the BUILD grants program which funds investments in transportation infrastructure by states, local governments, and transit agencies. I also pushed for increased funding for the Community Development Block Grant program, our national park system, local and organic agriculture, election security, and the Land and Water Conservation Fund.

Since my time in the Maine State Senate, lowering the cost of prescription drugs has been one of my top priorities. This year I introduced two bills that would help Americans afford their prescription medications. I also voted for a bill that would allow the Centers for Medicare and Medicaid Services to directly negotiate prices for certain drugs. I look forward to continuing this important work in 2020 so Americans are no longer faced with the choice of picking up prescriptions they desperately need or putting food on the table.

I am sure this coming year holds many challenges and opportunities for our country, and I promise that the interests and principles of Mainers will continue to guide my work. If there is anything my offices in Washington or Maine can do to be of assistance – whether you, your town, or your organization is applying for a grant; you're facing an issue with a federal agency; or if you'd just like to share a thought or opinion – please do not hesitate to reach out.

Best wishes,

Chellie Pingree
Member of Congress

January 2020

Town of Parsonsfield
634 North Road
Parsonsfield, ME 04047

Dear Friends and Neighbors,

We have just entered the second year of the 129th Legislature. This is the short session ending April 15, 2020. I continue to serve on the Education and Cultural Affairs committee, and we are busy with a host of legislation including school safety, childhood trauma, student's mental health, Career and Technical Education, etc.

I am best able to serve you when I hear from you. One wonderful example of this pertains to a bill that was proposed by a constituent who saw a problem with all the wasted food in the schools. She proposed an idea to share the unused food (closed containers and not outdated products) with the local food pantries. This was embraced by the entire legislature and is now law.

Additionally, a large part of my time includes helping my constituents, friends and neighbors navigate a variety of state department issues. This work can yield very positive results as I am able to connect with the decision makers to encourage timely solutions. Please don't hesitate to reach out with your concerns and thoughts.

It is an honor to be your State Representative.

Warmest Regards,

8 Representative Heidi H. Sampson

District 21 Alfred / Limerick (Part) / Newfield / Parsonsfield (Part) / Shapleigh (Part)

Dear Red Cross Supporter,

The American Red Cross is very grateful for your generous gift of \$750.00 on October 23, 2019 to Local Chapter. On behalf of those we serve, thank you.

The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors, like you.

Your questions and feedback are very important to us. Please feel free to contact us at redcross.org or call 1-800-RED CROSS (1-800-733-2767).

You make a difference, thank you for standing with us.

Sincerely,

Gail McGovern

Dear Budget Committee Members:

Thank you in advance for your consideration of Caring Unlimited's annual request for support from the Town of Parsonsfield. Each year, your support helps to ensure that members of your community and all residents of York County experiencing abuse have access to the life-changing and life-saving supports that we provide.

Over past year, Caring Unlimited has helped more than 2000 unduplicated individuals across York County increase their safety and access critical resources through our 24 hour helpline, emergency shelter, supportive housing services, civil legal services, individual advocacy, and support groups. Additionally, our community outreach and prevention team has offered educational workshops to thousands of youth and adults at area schools, health care providers, social service agencies, and businesses.

Since 1977, Caring Unlimited has been a trusted local resource for your community. Our services are available 24 hours a day at no cost to your neighbors, family and friends and are only a phone call away.

The following is a snapshot of how Parsonsfield residents accessed CU's no-cost services last year.

SERVICE PERIOD:	10/1/18-9/30/19
PARSONSFIELD RESIDENTS SERVED LAST YEAR (Unduplicated individuals served)	12 Individuals
TOTAL HRS OF INDIVIDUAL ADVOCACY PROVIDED LAST YEAR (Supportive Counseling and/or Legal Assistance Provided to Individuals):	161 Hours
TOTAL HRS OF GROUP SERVICES PROVIDED LAST YEAR (Support and/or Education Groups):	3 Hours
TOTAL # OF EMERGENCY SHELTER BEDNIGHTS PROVIDED LAST YEAR:	59 Bednights
COST TO CARING UNLIMITED OF SERVICES OF PROVIDED TO PARSONSFIELD LAST YEAR:	\$13,148
FY20 SUPPORT REQUESTED:	\$569

Thank you for partnering with us to make a difference in the lives of individuals and families who are seeking safety and peace in their homes. Should you have questions or need additional information, please don't hesitate to contact me at 490-3227 x101 or by email at susan@centerfor-caring.org anytime.

Budget Committee

To Whom It May Concern:

Harvest Hills Animal Shelter appreciates the continued support from your town as we continue over 30 years of service to the surrounding communities. With funding over the past years, we have found loving homes for over 20,000 cats and dogs that were spayed, neutered and inoculated. We continue to educate the community about the responsibilities of pet ownership and the benefits of adopting a Harvest Hills animal.

With the state of the economy the past year, we are experiencing an increase in the number of cats and dogs surrendered in the past twelve months. So far this year we have taken in 244 cats and 186 dogs. Some of these animals have had serious medical conditions that have had a considerable impact our budget for veterinary and related expenses. Every animal is evaluated, given treatment for any medical problem they might have and is put through a socialization program. We also perform emergency treatments for animals hit by cars.

We are requesting \$1.00 per capita fee from your town again for 2020 based on 2010 Census numbers, which for the Town of Parsonsfield would be \$1898

If you could, please include a discussion of the importance of funding for the shelter at your annual budget meeting. If you have any questions, please contact the Shelter Manager, Joan McBurnie at 207-935-4358

Thank you in the advance for your consideration.

Sincerely,

Joan McBurnie Shelter Manager

Kezar Falls Circulating Library

December 2019

The Kezar Falls Library has had a satisfying year serving our community. The founders of the library would be proud to see how the seed they started has flourished. The library has continued to change and grow to meet the needs of our community. Our programs reach out to the youngest patrons through preschool story hour, Lego time and craftrooms. The library hosts an adult book discussion group and adult ed classes, which enrich our adult patrons. We have had both adult and children's book authors visit the library.

We are excited to share that we received a grant to update the computers in our internet cafe and happy to say that they work much faster than the old computers. We also acquired a projector and screen for future presentations.

We have been fortunate to have the support of our community in the past. Our next big project is to replace the windows in the library. They are original to our 100 year old building. It is time for more energy efficient windows. It will be a substantial project keeping the architectural significance of the building in mind.

Thank you for your invaluable support.

Karen Duplin
Board President

KEZAR FALLS FIRE DEPARTMENT

Towns of Porter/Parsonsfield

We had another busy year for calls. We had alot of training hours to keep up the the ever changing rules that are mandated for the fire service. We had to replace some turnout gear at a cost \$2100.00 (coat and pants) helmet \$350.00 boots \$300.00 jas by NFPA Standard these item has a 10 year self life then has to be replace. We will need to replace several more sets this coming year (6 sets need to be replace in 2020) Training last year we send 2 FF to Firefighter I, II classes and we are sending 2 more this winter this will bring the dept. to a total of 10 FF that are train to FF I, II this training runs from January- April over 100 hrs per man (cost of this training is \$1100.00 per person). Our apparatus remains in good shape with the maintenance program we have set up we should be in good shap for a few more years before we have to start thinking about replacing trucks. Our SCBA are all in good shape as we have the bench tested every year. We replace our Extrication equipment in 2019 from Hydraulic to Battery operated (old set needed repairs and could not get parts for as it was outdated cost of 23,000.00) We had a couple of fund raiser in 2019 with some of the money we finish getting members class A uniforms. We are always looking for new members .

We thank you for your continue support of the Fire Dept.

2020 Sacopee Rescue insert for the town books

In 2019 Sacopee Rescue responded to a total of 637 calls for service. This is a decrease in calls for service from 2018 (748 calls) of 111 calls or 14.83%. This decrease in calls does have an impact on our revenues for we receive 70.1% of our income for the year from insurance/private payments for services rendered. It is difficult to predict what amount of income to expect from this revenue stream for it is dependent on a number of factors that the Rescue has no control over. This is why the payments from the towns are an important financial bridge for the Rescue. In 2018 the town payments in total were set at \$136,800 (General and Capital Fund) with each town asked to contribute a total of \$34,200 (General and Capital Fund).

For 2020 the budget of the Rescue increased 10% to \$437, 870.00. A large part of this increase is due to payroll. January 1, 2020 minimum wage increased across the State to \$12.00 per hour. This added close to \$20,000 to the budget. Also due to the tightening labor pool of qualified licensed individuals that can work the Rescue, we have to have the ability to offer individuals an increase in wages to compete with surrounding area services. This adds a second \$20,000.00 to the budget. Thus the amount in total we are asking from the 4 towns for 2020 is \$150,000 (General and Capital Fund) with each town asked to contribute \$37,500 (General and Capital Fund) a 9.64% increase over 2019.

The breakdown of the calls is as follows:

- Town of Cornish (not including Cornish Station) 154
- Town of Porter (not including The Sacopee Valley Health Center) 126
- Town of Parsonsfield 149
- Town of Hiram 145
- Cornish Station 13
- Sacopee Valley Health Center 25
- Mutual Aid 25
- Town of Limington 10
- Town of Limerick 5
- Town of Baldwin 7
- Town of Newfield 1
- Town of Brownfield 1
- Town of Sanford 1

We look forward to being here to assist you in 2020 but pray that you don't need to call us, the true paradox of an emergency rescue service.

Sincerely

The Sacopee Rescue Board of Directors

October 15, 2019

Ed Bower, Chair, Board of Selectmen
Town of Parsonsfield
634 North Rd
Parsonsfield, ME 04047

Dear Ed,

Thank you for your past funding of LifeFlight of Maine. Town support is crucial to our ability to provide critical care and transport to patients across the state. It also helps us leverage major grants. Donations from towns help support the purchase of needed replacement aircraft and deliver advanced education to local emergency medical providers.

Since 1998, 20 Parsonsfield residents have been cared for by LifeFlight with 2 in the past year. Since the beginning there have also been 4 scene calls - where LifeFlight has landed directly in your town to support your local Fire/Rescue and EMS care for a patient.

Each year, LifeFlight reaches out to towns throughout the state to help support our mission of caring for Maine. LifeFlight provides a variety of services to your community and citizens, including:

- Direct scene response when called by EMS and Fire/Rescue agencies
- Transport of critically ill or injured patients already in a hospital that need specialty care
- Access to very specialized care and organ transplantation – going as far as Durham, North Carolina and Cleveland, Ohio
- Mutual aid for disaster events such as the recent tragedy in Farmington
- Clinical education for EMS providers

Over the past twenty years LifeFlight has cared for more than 27,000 patients, and the need for this service continues to grow. Requests are up 11% in the last year due to Maine's demographics, changes in stroke and cardiac care, and changes in services at our community hospitals. To meet this need, LifeFlight staffs teams at our bases in Sanford, Lewiston, and Bangor using 3 helicopters, a fixed wing airplane, rapid response vehicles, and specialized ground ambulances. Together these teams care for Maine by clinically supporting the work of your local EMS, and Fire/Rescue in a 24-hours-a-day, 365-days-a-year partnership.

LifeFlight takes care of all patients regardless of location, insurance status, or the ability to pay for the cost of care. In Fiscal Year 2019 LifeFlight provided \$2.2 million of uncompensated care. A nonprofit charity, LifeFlight of Maine is among the most efficient providers of critical care air medical services in the country, with the lowest costs and charges in New England, while maintaining the highest levels of safety and clinical performance.

In a serious emergency, every minute counts. In meeting Maine's need for critical care, every town's participation counts. I hope Parsonsfield will consider a donation of \$949 this coming fiscal year (a rate of \$0.50 per capita) to support the aircraft fund. Thank you for your past and continued support of this vital public service. Thank you for helping us be there when needed.

We have attached background information and our financial summary from Fiscal Year 2018. Please contact Victoria Barhgate at The LifeFlight Foundation at 207-230-7092 or vbarhgate@lifeflightmaine.org with any questions. If additional information or a specific town application form is required with this request, please let us know.

Sincerely,

Thomas Judge
Executive Director
LifeFlight of Maine and LifeFlight Foundation

P.S. If a past request was recently approved and an invoice is required, please contact us so we may submit the invoice.

PO Box 899 Camden, Maine 04843 (207) 230-7092

LifeFlight to Parsonsfield - Facts and Frequently Asked Questions

- LifeFlight is a private non-profit charity with a public mission. We care for all patients regardless of insurance status or ability to pay for care. In FY2019 LifeFlight provided \$2.2M of care to patients without insurance.
- LifeFlight serves all of Maine — 24/7/365 with helicopters based in Bangor, Lewiston and Sanford, a fixed-wing airplane based in Bangor, rapid response cars to support EMS, and specialized ground ambulances.
- 2237 patients were LifeFlighted in FY19 from 117 communities, islands, and unorganized townships—about 1 patient every 4 hours. LifeFlight has cared for more than 27,000 patients since the first flight on September 29, 1998 from our bases in Bangor, Lewiston, and Sanford.
- How is LifeFlight funded? LifeFlight operates much like a hospital emergency department, taking care of all patients and billing insurance companies. We work with all major payers including Medicare, Medicaid and commercial insurers. Our operational expenses are covered by patient fees, but we rely on the LifeFlight Foundation to support purchasing aircraft, medical equipment, and to provide advanced training and education.
- LifeFlight helicopters, airplane, and specialty ground ambulances are equipped as fully functioning mobile intensive care units. LifeFlight critical care teams bring the trauma center intensive care unit – skills, medical technology, pharmacy, blood, and more -- directly to a patient's side.
- What types of patients do you transport? Critically ill or injured patients of all ages needing specialized care beyond what can be provided by local hospitals - including premature infants, cardiac and stroke patients, complex traumatic injury, organ transplant, sepsis, burns, and serious obstetric complications. We use the strictest medical utilization criteria in the country to make sure all flights are medically necessary. Emergency medical providers are guided by state-mandated protocols based on the latest research and best practice.
- About 85% of patients are transported from community hospitals to major specialty centers, and 15% are transported directly from the scene of an emergency - roadsides, woods, mountains, and islands. While most patients are transported to EMCMC, MMC and CMMC, about 12% of patients are transported to Boston and beyond for specialized care not available in Maine.
- LifeFlight is lean - We are among the most efficient providers in the world, we pay attention to costs, maintaining a very small administrative team and with the lowest rates in New England and the country. Despite this, we have created a national mode full low-level instrument flight system, operate with all NTSB recommended safety technology and have a much larger coverage area than most services.
- LifeFlight of Maine's average cost per transport is approximately \$15,000 (modified by distance). We participate with all major insurers, Medicare, and Medicaid, so there are negotiated discounts and we do not "surprise bill" patients. (The average cost of others in New England is around \$21,000 while the average in western New England, New York, and nationally is \$40,000 - \$70,000.)
- What other benefits to our town and region does LifeFlight provide besides critical care and transport? We provide local critical care training to medical providers in specialized areas such as traumatic brain injury and pediatric trauma diagnosis and treatment. We also provide ground safety training to all communities and create remote landing zones where they might be needed.
- What do the Towns support and what is the formula used for the ask amount? Town support is specifically and only used for the aircraft replacement fund and advanced training for EMS providers. We ask a \$1 per capita rate for towns up to 1,000 residents; a \$0.50 per capita rate up to 2,000 residents; and \$0.25 per capita after that, with a maximum request of \$2,000. The request of \$949 for Parsonsfield is calculated at \$0.50 per capita.

MaineHealth

CARE AT HOME

November 21, 2019

Ed Bower, Chair of the Select Board
Town of Parsonsfield
634 North Street
Parsonsfield, Maine 04047

Dear Mr. Bower;

MaineHealth Care at Home appreciates this consideration for funding in fiscal year '20-'21. Since 2014-2015, the Town of Parsonsfield has contributed over \$6,000 to our agency on behalf of residents that received our services. The funds were directly allocated to our Compassionate Care Program, which supports care for those who lack or insurance or are otherwise unable to pay for services. We are grateful for this support and respectfully request that the Town consider a contribution of \$2,000 to help offset this year's charity and uncompensated care of \$9,010.

History

On May 1, 2016 HomeHealth Visiting Nurses joined with Kno-Wal-Lin Home Care & Hospice and Waldo Home Health & Hospice. Our founding organizations have more than 100 years of experience in serving our local communities with commitment and excellence. Today, MaineHealth Care at Home maintains its commitment to strengthening home health and hospice care for patients throughout an expanded service area. MaineHealth Care at Home (MHCAH), is a licensed 501(c)(3) not-for-profit organization, and a leading provider of home health and hospice services in an expanded service area that includes Cumberland, York, southern Oxford, Lincoln, Waldo, and Knox Counties.

Program Services

Our home-based healthcare services which include skilled nursing, physical, occupational and speech therapies, home health aides, counseling, and palliative care allow patients and families to receive necessary and cost-effective health care in the comfort home. In addition, our presence in the home allows clinicians to identify and address needs such as fuel assistance or inadequate food and nutrition and potential abuse or neglect. In the MidCoast region, we offer hospice care for patients seeking comfort, relief and dignity at the end stages of life. These services are delivered in the home, assisted living centers, nursing homes, hospice facilities or hospitals. In addition, we operate the Sussman House, an in-patient hospice facility located in Rockport Maine, providing compassionate care and symptom management in a tranquil, home-like setting.

Our Community Health and Wellness clinics offer essential health education, health promotion, diabetes education, medical screenings and tests, flu shots, foot and nail care, disease detection, monitoring and referral services. Clinics are open to anyone age 18 or older, with flu shot clinics open to all 6 months and older. Elders are the majority of our clinic clients. Community based clinics allow us to provide health care services in community settings where elderly residents are comfortable and have easy access to care and serve as an important referral source to other services.

15 Industrial Park Road | Saco, Maine 04072 | (800) 660-4867 | www.mainehealthcareathome.org

MHCAH is the lead provider of home based pediatric services offering two distinct programs. Our Maternal and Child Health Grant, provides no-charge nursing visits to new mothers, infants and children with special needs. We are the lead agency providing these valuable services to new families in southern Maine. Our Skilled Pediatric Program provides a full range of home health services to medically fragile children, many of whom are facing the challenges of cancer or other serious diseases.

Agency Highlights

MHCAH is recognized as a leader in delivering innovative Telehealth services. The Telehealth platform includes a 4G internet enabled Tablet featuring video education, assessment questions, blue tooth peripheral devices, and capacity for video visits between patient and nurses. We have been recognized nationally for our success with reducing hospitalization rates by 75%.

Funding Need

As a not-for-profit home health care organization, we have the privilege and responsibility of serving those patients who might otherwise not receive necessary health care. Our position within the MaineHealth family is unique, as we have retained our own Board of Directors and function under our own budget. As such, we are self-reliant financially, and depend on philanthropic gifts, municipal contributions, and other sources to deliver on our promise to care for our diverse set of patients across our service area.

Each year, town contributions allow us to provide free and reduced fee health care to residents who lack insurance or other resources to pay for care. Town funds help us leverage funding from other municipalities and community foundations and United Way organizations. In the most recent fiscal year our charity care and uncompensated care totaled more than \$1,050,000.

As the enclosed statistical summary indicates, we cared for 128 residents last year, for a total of 665 visits and tests. Our commitment to serving Parsonsfield remains strong. We continue to seek and receive referrals from area hospitals, assisted living facilities and physician offices. In delivering this care, we provided \$9,010 of charity/uncompensated government care to residents of Parsonsfield.

Please feel free to reach out to me with any questions. On behalf of the patients in your town who will benefit, thank you for your consideration and generous support over the years.

Sincerely,

Roy Garland
Marketing & Development Coordinator

November 1, 2019

Attn: Mr. Donald Murphy
Town of Parsonsfield
634 North Road
Parsonsfield, ME 04047

Dear Mr. Murphy,

For more than 50 years Maine Public has been an educational, informational, and cultural resource for the people of Maine. Today, we're asking Parsonsfield to help fund this important community resource with a gift of \$100 for fiscal year 2021.

Through award-winning news and entertainment programming on television, radio, and online, as well as our 24-hour PBS Kids and classical music stations, it's been our mission to provide the residents of Parsonsfield with a vital link to their community, state, and the world.

The education and inspiration of the next generation of Mainers is central to Maine Public's mission. In 2019 we created and aired a new season of *High School Quiz Show*, and reported on vital local issues like childcare shortages and climate change. Our yearly *Highschool Basketball Tournament* broadcast also continues to showcase the athleticism and teamwork of Maine's students. Your community grows with these free cultural and educational resources, and Maine Public needs your support to grow along with you.

All of our work is made possible through grants from communities like yours. We respectfully request that Parsonsfield support the growth of public broadcasting in Maine with an appropriation of \$100 this year. For assessment purposes, you can soon find our FY 2019 operating budget and financial audit at <http://www.mainepublic.org/opic/maine-public-finance>. Thank you for considering our request.

Sincerely,

Meagan Cloutier

Budget Committee
 Town of Parsonsfield

Dear Budget Committee Members:

The Parsonsfield - Porter Historical Society respectfully requests an appropriation of \$500.00 at your annual town meeting in 2020. This is the same amount requested last year.

We appreciate your support in the past as we strive to preserve the history of our wonderful towns.

Sincerely,
 Sylvia Wilson
 Treasurer

Smooth Feather
YOUTH

To the town of Parsonsfield, August 4th, 2020

Smooth Feather Youth is a 501(c)(3) non-profit with the mission to support activities for youth in our community where participants can learn from one another, discover new possibilities for their lives, and use their individual and collective creativity to explore positive change.

For the past four years, we have been working with youth in the S.A.D. 55 area by offering the following programs:

Smooth Feather Excursions is an after school adventure program for both young men and women in their teens. Our aim is to immerse them in the beautiful Maine outdoors and challenge ourselves in nature to establish a powerful bond. Smooth Feather Excursions offers this opportunity to a handful of participants every winter, spring, and fall for five-week sessions which culminates with an overnight weekend excursion.

Smooth Feather Film School is a one-week film school hosted at the Kezar Falls Theater every summer where local youth write, film, and edit an original film, which is then premiered on the red carpet for the community on Saturday night. Each year, I invite several of my friends from around the country who work in the filmmaking industry to be instructors. Last year, we had a one-to-one student to staff ratio, which provided our participants with a high level of professional instruction. The past four years, we have had a sold-out premiere with hundreds in attendance. It has been amazing to see the support from the community, as well as the creativity pouring out of our youth.

Kezar Falls Theater Events happen throughout the year and range from movie screenings, to art shows, to concerts, to one of the best variety shows around. As part of our mission, we make all events at the theater free to attend to allow the youth in our community to attend regardless of their financial situation. Due to the recent Covid-19 pandemic the theater is currently closed, yet this summer we've constructed an outdoor drive-in theater at Silas' parents farm in Porter which has been a great success and hosted this year's film school premiere.

The above programming takes considerable resources annually, so we always welcome donations. Last year we were incredibly honored and humbled to have Parsonsfield's support and it would be a huge help if the town was willing to make another donation of \$600 to Smooth Feather Youth. It would be an honor to continue collaborating with the town of Parsonsfield as we continue to grow and offer our youth creative outlets, inspiring events, and most importantly, a strong community.

Sincerely,

Silas Hagerly - Executive Director : Smooth Feather Youth

Serving the Municipalities of Southwestern Maine For Over 50 years

December 26, 2019
Edward Bower
Board of Selectman Chairperson
Town of Parsonsfield
654 North Road
Parsonsfield, ME 04047

Dear Ed:

The Southern Maine Planning and Development Commission (SMPDC) would like to thank you for your dues payment of last year. Your dues payments are the means for SMPDC to provide quality services to your community at an affordable cost, match our state and federal contracts, provide access to federal and state grant programs and work on issues of regional concern. They are the foundation for the technical assistance that we are able to provide to all the cities and municipalities in the region.

The attached page highlights the benefits that all communities are eligible to receive through the payments of dues. To see some of the work we have undertaken in your community please click on your town on the map on our website at www.smpdc.org. Your town may also participate in our cooperative purchasing program. If so, your town saved \$17,062.80 through that participation over the last year. In many cases, the savings in cooperative purchasing savings alone exceed the amount of dues requested.

The value of these services are also greatly increased when one considers the state and federal dollars we have brought into the region through the writing of grants and assisting other non-profits and towns. For instance in the last year alone, SMPDC received and recapitalized a regional Brownfields Program (\$600,000 grant), received a \$75k grant to study sea level rise in the region, assisted on a \$220,000 grant to develop strategies to mitigate traffic impacts of the Naval Shipyard, and provided support to many communities on the impacts of climate change on their infrastructure. Our work on Brownfields redevelopment and through our EDA Revolving Loan program throughout the region has leveraged over 100 million dollars in private investment, created over 500 jobs and 350 units of new and affordable housing. It is important to note that while some of these projects may take place in a certain community or communities, they benefit our entire region and far surpass the amount of money we request in dues. Furthermore, with our federal Economic Development District status, we can provide additional funds and project money to support economic development activities in the region.

After requesting larger increases over the past two years, SMPDC is now requesting a modest 3% for the upcoming year. Based on population and number of communities, our dues structure is still far less than other similar regional planning agencies across the state. These dues are for the upcoming fiscal year beginning on July 1, 2020.

Your dues amount for 2020 will be \$756.00. This amount is based on a method that accounts for both valuation and population of the community. Please feel free to give me a call (571-7065) to discuss these services and how your dues money is used.

We are grateful for your continued support.

Sincerely,

Paul Schumacher, Executive Director

110 Main Street, Suite 1400, Seaco, ME 04072

smpdc.org

Benefits to All Communities

- Run a cooperative purchasing program for the region. SMPDC towns saved an estimated \$600,000 through participation in the Copy Paper and Road Salt bids alone in 2018/2019.
- Provide the needed match requirements for the former State Planning Office, Federal Economic Development Administration (EDA) and DOT programs. In effect, for every dollar of dues we can leverage an additional two dollars.
- Provide free workshops, newsletters, technical memorandum, census updates, legislative updates and other educational resources to all communities, as well as immediate technical assistance on municipal land use, transportation and economic development issues. We also have the ability to provide traffic counts upon request and road service management programming.
- Community Development Block Grant, EDA and other grant writing services to your community.
- The dues allow us to keep our overhead rate low, and thus our hourly billing rate at a reasonable level for any larger projects we work on for your municipality.
- The ability to work on county wide initiatives that may not be funded, such as assisting the County EMA, working on the York County Advocacy Project (to assist with our legislative efforts in Augusta), and developing grant proposals of a county wide nature.
- Operate a Revolving Loan Fund Program which has provided for over \$750,000 in business lending to area businesses and over 3.5 million dollars in environmental clean-up activities ultimately resulting in new housing, business development and stronger downtowns.
- Provide a monthly newsletter.
- Provide demographic information for all communities.

Saco River Corridor Commission

"Communities Working Together To Protect Our Rivers"

March 3, 2020

Parsonsfield Budget Committee
634 North Road
Parsonsfield, ME 04047

Dear Committee Members:

The Saco River Corridor Commission (SRCC) concluded its nineteenth year of water quality testing in September 2019. The area of testing that is most relevant to the Town of Parsonsfield is on Powerhouse Road above the dam, and at the public beach at Long Pond. Enclosed you will find our WQM testing results for 2019.

The Water Quality Monitoring program was created to help understand the types of issues that affect the quality of the water in the river and to help the Commission and area residents better understand how the surface water in the town contributes to their quality of life. There is a direct correlation between the quality of the rivers and streams in our towns and the aquifer that supplies our drinking water. As the economy improves and development and building resume, having the monitoring program in place will allow the town and the SRCC to better assess the controls and standards in place that keep the water healthy. To that end, the Commission asks that the following statement be included as an article in your town warrant:

"The town will vote to raise and appropriate \$300 toward the support of the Saco River Corridor Commission for its continued water quality monitoring program."

We welcome comments, questions or suggestions about this program or about any of the work we do. Our goals are protecting the value of the rivers and lakes in our area. We will continue to do our part, but we do really need the Town's help to succeed.

Sincerely,

Dag Houser
Dalyn P. Houser
Executive Director

Enclosure

cc: Judy Ingram, Commission Member
James Baron, Commission Alternat

P.O. Box 283 • Cornish, Maine 04020-0283 • (207) 625-8123 Fax (207) 625-7050 Email: srcc@srrc-maine.org

SACO RIVER CORRIDOR COMMISSION
Town Report
"Communities Working Together To Protect Our Rivers"

The Saco River Corridor Commission (SRCC) was created with one purpose in mind – to protect the rivers in the Saco Basin and all that these rivers represent to the people that live and work here. The legislature provided the start and the performance standards to initiate the program and the cleanliness of the river is a testament to that effort. The Commission's role is one of partnership. Each town has an opportunity to choose two people to represent them on the board and in this way, the Commission is functioning more as a local/regional group working to keep the water clean and to keep Maine looking like Maine. It's a fact that many people come to Maine from other places. They arrive proclaiming how wonderful Maine is, the clean air, the clean water and all the trees which looks "nothing like where they are from." Invariably, as areas are built up, the values that people sought out change, bringing inappropriate uses to the shore land area that can lead to land and water based problems.

The Town of Parsonsfield is fortunate to have Judy Ingram and James Baron on the Commission. Anyone interested in obtaining more information about how to represent your community through this Commission should contact the Commission Staff and we will explain the town's role and the individual's role as well. In a practical sense, Commissioners give the Town of Parsonsfield an opportunity to participate in the present and future development patterns throughout the entire corridor from Fryeburg to Saco. Clean, healthy water is Maine's greatest asset. It's hard to understate this important fact.

We are happy to report that in September 2019, we concluded our nineteenth year of the Saco River Water Quality Monitoring Program. Currently, staff and volunteers monitor for dissolved oxygen, conductivity, pH, turbidity, temperature, total Kjeldahl nitrogen, total phosphorus, orthophosphate, Alkalinity and *Escherichia coli*. Our testing takes place on a bi-weekly schedule along the Saco, Ossipee, and Little Ossipee Rivers at 35 different locations during the months of May through September. All of the information relating to the past eighteen years of the Commission's monitoring program can be found on our website located at www.srcc-maine.org. This information can be useful for Planning Boards, Code Enforcement Officers and developers in locating appropriate types of land uses close to the River.

The Commission's job is to work with the communities in the Corridor to help keep the rivers clean and healthy. Copies of the water quality monitoring information are available, or questions can be asked, by calling Delyn Houser, the Commission's Executive Director. As always, if the town or citizen has a place on the river they believe should be tested, we would love to hear about it. The Commission office is located at 81 Maple Street in Cornish, Maine (Telephone 207-625-8123) and can be found on the web at www.srcc-maine.org.

York County
**COMMUNITY
ACTION**
Corporation

Town of Parsonsfield
Board of Selectmen
634 North Rd.
Parsonsfield, ME 04047

August 25, 2020

Dear Board of Selectment:

By this letter, YCCAC is requesting for fiscal year 2020/21 funding from the Town of Parsonsfield in the amount of \$1,250. These funds are critically important to meeting the local cash match requirements applicable to much of the State and Federal funding, which enables us to provide a wide range of services to the elderly, disabled and low-income individuals of York County.

All of the funds we are requesting will support the direct services we provide to residents of your community, and the amount of your contribution will be multiplied many times in the value of these services. This work clearly helps to reduce reliance upon general assistance, and we trust that you have seen a positive impact from it in your community over the past year.

We would be happy to provide additional information at your request, and we would especially welcome an opportunity to meet with you to discuss our funding request personally.

Thank you for your consideration of this request and also for your past support.

Very sincerely,

Brad Bohon

Sacopee Valley Recreation Council Annual Report

Sacopee Valley Recreation Council continues to provide a wide variety of programs for members of the communities in the area. The council conducts business through a board of directors who are volunteers and two part time paid program coordinators.

The traditional sports programs continue for our youth; from grades K-6 include baseball, softball, t-ball, field hockey, soccer, basketball, cheering and karate. We have started the process of replacing our aged uniforms and will be looking to replace equipment; soccer goals/nets, next year.

We continue to host three middle school dances per school year and a variety of summer camps including swimming lessons.

Our whole family activities continue such as cross-country skiing, open gym, woman's gym night, cribbage and the annual Barn Dance in March continue. We continue to provide/maintain the ice rink for skating in the winter; which includes the learn to skate program. In 2019 we hosted two Barn Dances as well as an Easter Egg Hunt.

None of these things would be possible without the help and support of the citizens of the five towns we serve. We currently have 14 active board members. We would be happy to have more people join or get involved in some way.

SVRC is a registered non-profit organization. We continue to lease the Horizons Building and must pay the heat and lights for that. Liability insurance, advertising, and equipment costs are always increasing and our fundraising through dances and other events help to keep the cost of the program down for the participants. Even so, most programs do still need to share a fee. We would like to thank everyone for their help this past year and we look forward to another great year of programs for community member of all ages. If you have any suggestions or ideas, please let us know.

Sincerely,

SVRC Board of Directors

Below you will find the budget request from the SVRC for the annual town meeting as well as the annual report.

SVRC requests the following article:

To see if the town will vote and appropriate the sum of \$4,000 for the Sacopee Valley Recreation Council.

Any further needs please do not hesitate to contact me.

Laura Hermance

February 19, 2020

Ms. Debra Taber
Town of Parsonsfield
634 North Road
Parsonsfield, ME 04047-0030

Dear Ms. Taber,

Enclosed is a formal request to the Town of Parsonsfield for its support of the Southern Maine Agency on Aging (SMAA) for the Town's 2020-2021 Fiscal Year.

Each year, SMAA serves roughly 20,000 individuals in southern Maine through programs such as: home-delivered and congregate meals, information and referral assistance, options counseling, family caregiver support, Adult Day Services for individuals with dementia, evidence-based classes to help people reduce their risk of falls, and so much more.

Founded in 1973, SMAA has a longstanding history of being the most visible and trusted source of objective information for successful aging in the State of Maine. A corps of 600+ volunteers support SMAA in providing a high level of service, lowering program costs, and helping further collaborative efforts with other organizations throughout southern Maine.

SMAA continues to face challenges related to flat federal funding and growing demand for services that support our older population. In 2010, Older Americans Act funding totals equated to \$43 per senior in today's dollars. Today, it is just \$27 per senior. It is estimated that due to eroded funding, OAA-funded services don't reach 83% of low-income older Americans who need support.

SMAA requests a contribution of \$2,500 this year to help support the continuation of SMAA's vital programs in the Parsonsfield community. The Town's support would come at a crucial time as we work to offset insufficient government funding sources.

Thank you for your consideration of this request. If you have any questions regarding the enclosed proposal, please feel free to contact me directly at 207-396-6591.

Sincerely,

Liz Thompson
Grant Writer and Donor Relations Specialist

136 U.S. ROUTE ONE, SCARBOROUGH, ME 04074 207.396.6500 1.800.427.7411 WWW.SMAA.ORG

Equal opportunity/non-profit organization

FISCAL YEAR 2020-2021 REQUEST FOR FUNDING TO: Town of Parsonsfield
FROM: Southern Maine Agency on Aging
Date: February 19, 2020
2020-2021 REQUEST AMOUNT: \$2,500

The Southern Maine Agency on Aging - What do we do?

Since its founding in 1973, the Southern Maine Agency on Aging (SMAA) has provided residents of York and Cumberland counties of Maine with resources and assistance to address the issues and concerns of aging. The programs and services at SMAA are designed to foster independence, reduce burden on families and caregivers and promote an active and healthy lifestyle for individuals as they age.

SMAA relies on the dedication of more than 600 active volunteers to provide its many services. The Agency has an annual budget of \$6 million, and a staff of 100.

The Agency's mission is to improve the quality of life for older adults, adults with disabilities and the people who care for them.

How do we serve Parsonsfield Residents?

Last year, 37 Parsonsfield residents received the following support and assistance from SMAA valued at \$11,766:

- 20 Parsonsfield residents received assistance through the Agency's Information and Resources program - staffed by Resources Specialists and Social Workers who work with seniors and their families by phone or in-person to provide information and support, and to increase access to available benefits. Those residents experienced 52 contacts with SMAA staff.
- 4 residents received Medicare and other insurance counseling. In addition to helping choose the best coverage for each individual, Agency volunteers assisted in saving participants hundreds and often thousands of dollars on yearly insurance and prescription costs:
- 2 Parsonsfield residents received guidance, participated in classes and/or support groups to help better understand and manage their caregiving role through the Family Caregiver Support Programs:

-10 residents participated in SMAA's Community Café and/or "As You Like It" congregate dining programs through which they received 81 affordable and nutritious meals, and socialized, helping to reduce their risk of isolation and loneliness;

- and 3 Parsonsfield residents, who are temporarily or permanently homebound and cannot shop for or prepare meals on their own, received 525 home-delivered meals, safety checks, and vital socialization through the Meals on Wheels program.

Why is this work important?

When Maine looks in the mirror, it sees an aging face. According to 2019 U.S. Census data, Maine has the highest median age in the country at 44.9 years old – nearly 7 years older than the national average of 38.2 – and is also aging at faster rate than the rest of the country.

Maine is one of the most rural states in the country. SMAA's service area spans more than 2,488 square miles across communities like Parsonsfield where there is little-to-no access to public transportation, and residents often live miles from the closest grocery store or even neighbor.

Social Security is the only source of income for one in every three Mainers age 65 and older, and makes up 50% or more of the income for 64% of Maine seniors. Maine has the second lowest average Social Security retirement benefit in the entire country at \$1,314.22 a month.

Living on some of the smallest fixed incomes in the country forces Mainers to make difficult choices related to their housing and energy costs, nutrition, medications, health care, and other basic human needs. SMAA's many programs are designed to help address these concerns and other health and human service needs such as:

Hunger and food insecurity: Sadly, the number of seniors in Maine that experience food insecurity has doubled in less than 5 years and nearly 1 in 3 face hunger or the threat of hunger.

Caregiving challenges: Caregiving takes a toll on individuals' finances, emotional and physical well-being and social life. Caregivers of someone with Alzheimer's are estimated to be 600% more likely to develop the disease themselves and many are leaving jobs early and/or turning down promotions due to the added stress.

Alzheimer's disease and related dementia: Alzheimer's disease is the 6th leading cause of death in the U.S. Towns, and their residents, are not prepared for the long-term toll this disease will have on their communities.

Health challenges: One-in-four of Maine seniors will fall each year. Among seniors, falls are the leading cause of fractures, hospital admissions for trauma, and injury deaths.

Financial exploitation: Financial exploitation is a fast-growing form of abuse of seniors and adults with disabilities. Financial exploitation commonly involves trusted persons in the life of vulnerable adults.

Request for support:

This year, we are asking the Town of Parsonsfield to consider a contribution of \$2,500 in unrestricted support to help SMAA meet the ever-evolving and increasing needs of older and disabled Parsonsfield residents and their caregivers.

THANK YOU FOR YOUR CONSIDERATION OF THIS REQUEST. PLEASE CONTACT
LIZ THOMPSON, GRANT WRITER AND DONOR RELATIONS SPECIALIST AT
207-396-6591 WITH ANY QUESTIONS.

St. Matthews Food Pantry
19 Dora Lane
Limerick, ME 04048

June 11, 2020

Dear Selectmen of Parsonsfield,

My name is Dianna Ouellette and I am the Social Outreach Resource Coordinator for St. Matthews Food Pantry in Limerick, Maine. I hope this letter finds you all well during our country's crisis.

We thank you for your continued support in helping to feed the community for it is still a growing situation. We are requesting to be put on your Town Warrant for the sum of \$1,200.

We fed 1,260 Adults and Children in Parsonsfield in 2019. With a breakdown of 373 Families. We service the towns of Parsonsfield, Limerick, and Newfield. (We are currently receiving funding from Limerick and Newfield too.) We are a secular Food Pantry and help anyone who lives in our 3 towns and we require them to provide us proof of residency with a physical address.

We try to provide our families with about 2 weeks' worth of groceries. We try to give the basic staples as we can get them. (Example: Cereal, Peanut Butter, Pasta, Sauce, soup, fruit, beans, fresh vegetables, and frozen meat.) They are allowed to come only once a month to collect food.

We provide a Thanksgiving Meal every year; we also provide a fill a Christmas stocking and give a couple regular gifts for the families with kids that are 12 and under.

We also have a Program called "The Senior Food Commodity Program". This is state funded and anyone aged 60 and older and meets the guidelines can receive a 28-pound box of food.

We provide help with paper products and personal supplies as we can get them. We also have free clothing and household stuff available each month free for the taking.

As you can see, we do a real lot to help our community and we would love your continued support so we can continue to help all those in need.

If you have any questions or would like a quick tour, feel free to contact me at 730-6865.

Thank you for listening!

Sincerely,

Dianna Ouellette
Food Pantry Coordinator

**TOWN OF PARSONSFIELD
ANNUAL TOWN MEETING WARRANT**

September 11 and 12, 2020

To: *Kristina Ricker*, a resident of the Town of Parsonsfield, in the County of York, State of Maine,

GREETINGS:

In the name of the State of Maine, you are hereby required to warn and notify the Inhabitants of the Town of Parsonsfield in said County and State, qualified to vote by law in Town affairs, to meet at the Town Office at 634 North Road in Parsonsfield on Friday, the 11th day of September, AD 2020 at 2 PM to act upon Articles 1 and 2. The polling hours are 2 PM until 8 PM for Article 2.

And to notify and warn said Inhabitants to meet at the Town Office at 634 North Road in Parsonsfield on Saturday, the 12th day of September, AD 2020 at 9 AM to act on Articles 3 through 51 set out as follows:

Article 1: To choose a moderator to preside at said meeting.

Article 2: To elect by secret ballot the following Town officers:

1 Selectman, Assessor, Overseer of the Poor	3 Year Term
1 School Board Director, MSAD 55	3 Year Term
1 Planning Board Member	5 Year Term
3 Budget Committee Members	3 Year Term
1 Director, Piper Free High Funds	3 Year Term

Article 3: To see if the Town will vote to raise and appropriate the sum of \$109,403.97 in order to contract for a full time (40 hours/wk.) York County Sheriff for Parsonsfield. Contract period July 1, 2020 to June 30, 2021. (Acct: 5218)

Recommendations Budget Committee(3-2):Yes, Selectmen: Yes

Article 4: To see if the Town will vote to combine its various non-dedicated sources of income into a General Revenue Account from which it will pay its expenses as authorized by this Town Meeting.

Recommendations Budget Committee: None, Selectmen: Yes

Article 5: To see if the Town will vote to authorize the Selectmen to use up to 50% of unappropriated Surplus balance to reduce the 2020 tax commitment.

Recommendations Budget Committee: None, Selectmen: Yes

Article 6: To see if the Town will vote to authorize the Selectmen to borrow from the dedicated Town funds in anticipation of taxes. Said amount not to exceed 75% of the Town funds and be repaid with appropriate interest.

Recommendations Budget Committee: None, Selectmen: Yes

Article 7: To see if the Town will vote to authorize the municipal officers to spend an amount not to exceed 3/12 of the budgeted amount of the 2020 annual budget during the period from July 1, 2021 to Annual Town Meeting 2021.

Recommendations Budget Committee: None, Selectmen: Yes

Article 8: To see if the Town will vote to authorize the municipal officers to sell (\$1) the Blazo School (built 1792, R09-002, 523 North Road) to the Friends of Parsonsfield Seminary. This will enable them to secure, preserve, and utilize the building.

Recommendations Budget Committee: Yes, Selectmen: Yes

Article 9: To see if the Town will vote to authorize the Selectmen to close all unexpended appropriations and overdrafts into the unappropriated Surplus account.

Recommendations Budget Committee: None, Selectmen: Yes

Article 10: To see if the Town will vote to expend the following dedicated funds in accordance with State and Federal law:

Plumbing and Building Permit Fees

Animal Control Monies

LRAP-Local Roads Assistance Program (previously URIP)

FEMA Grant Monies

MEMA Reimbursements

Recommendations Budget Committee: None, Selectmen: Yes

Article 11: To see if the Town will vote to raise and appropriate the sum of \$125,115.95 for compensation for the Town officers and/or employees for the ensuing year:

(Account 5103)

Selectmen, Assessors, Overseers of the Poor (3)	\$ 25,644.81
Town Clerk/Treasurer, Tax Collector, Registrar of Voters	\$ 36,873.54
