#### **Biography**

John Wiederhold, 46, of Harbor Beach passed away on May 23, 2025 at Henry Ford Hospital in Detroit after a short battle with cancer. John was born on February 20, 1979 in Bad Axe to the late Beverly Bruce (Eisinger) and John Wiederhold. John and Sarah were united in marriage on May 23, 2009 at Lighthouse Park and were together for almost 30 years. John's most treasured times were spent laughing with family and friends. John's favorite time of the year was Memorial weekend where he spent time outdoors playing kickball, softball, volleyball, cornhole, and bocce ball with his family. Memorial weekend was also when John would have long, deep talks with his brother around the fire all night, stargaze with his children, take kids for four-wheeler rides, and play catch. John always loved to play video games and board games. John and his wife played games when they dated and when they had children, they taught them how to play too. Some of his best memories are from playing video games with his kids and his nephew. John also loved to watch wrestling with his brother-in-law. One of John's favorite games to play was basketball, he always bragged about his skills "back in the day". John was charming, funny, and kind. He was always there for people when they needed him, and anybody who met him instantly loved him.
