Rules & Expectations:

- Extra credit work is **optional** but highly recommended since Level 2 grades account for 45% of your overall math grade.
- Each skill above will account for 1/5 (20 points) totaling 100 points. Students may complete as many skills as they would like.
- The skills above have **different due dates**. XBS and 6BH are due at the end of Module 2. MJ9, Q7M, N9T are due at the end of the 2nd marking period.
- Students must score a 90 or above on each skill to receive credit.
- These skills are EXTRA CREDIT and in addition to your IXL Weekly Skills. They **do not replace your Weekly IXL Skills**.
