06/30/2017	153	ORDER Regarding the Filing of Certain Documents. The undersigned has been randomly assigned to address and resolve the pending Motion for ADR Sanctions. The filings of the parties in such regards are extensive and seemingly overlapping and likely repetitive. It appears to the Court that a relevant document(s) is/are what the parties have denominated as "Mediation Process Agreement(s)". The Court cannot tell for sure how many there are, and where they are in the record, so we'll reboot that matter. The lawyers are also tussling over what was, should have been, and should not have been filed under seal. In order to assist the Court in unravelling all of that, counsel for the Plaintiff shall file, under seal and without redaction, true and correct copies of the documents that are the "Mediation Process Agreement(s)" applicable to the ADR proceedings conducted in this case, and shall do so on or before July 11, 2017.
