Ask me and I will  
show you how,

The future is bright  
and it begins with our  
Young People!!!

**Today we have some of the smartest and creative children that has ever been known to mankind. From science and technology to entertainment and literature, our young people have blazed trails that had not been explored before. Unfortunately we are only scratching the surface of such amazing talent. Our goal and purpose is to ask our young people, What If? Then we let their creative juices flow!!!!**

**Challenging our Youth  
for A Brighter Future**

What if you could change, improve, or become an influence in those things you wanted to do. **Would you do it?**

If someone asked you how would you do it; **Could you**

**tell them how?**

So many times in life we **ASK** the what if question after something has happened but it is time that we **ASK**, answer and do it now.

### What if.....

- I could be a better person
- I could improve my grades
- I could improve my school
- I could make my city better
- I could make my state better
- I could make my country better
- I could make the world a better place
- I could become successful
- I could be a good steward of the Environment
- I could be a great Teacher
- I could be a great Engineer
- I could be a great Doctor
- I could be great Policeman
- I could be a great Fireman
- I could be a great Lawyer
- I could be a great Civil Servant
- I could be great Fashion Designer
- I could be great Veterinarian
- I could make my Team better
- I could help take away suffering
- I could help feed the poor and homeless
- I could help stop Bullying
- I could be anything I want to be, improve anything I want to improve and change those thing that I want to change for the betterment of all.

### Now You Can.....

#### Just A.S.K.

1. **A**sk The Question
2. **S**eek The Answer within yourself first and then use your resources
3. **K**now and believe in your abilities
