

Well, hello there fellow abate people. Region 15 had there bowling tournament. Was a great show out. Thanks to region 18 for supporting us as we try to do the same for you guys.

Trophy was giving out for high score, best team. Low score and worst team. For worst score team was toilet paper rolls that said (shitiest bowler ABATE 2021) and guess who won this.....my team, wow that back fired lmao. Thanks everyone for a great time and also to those that stepped up to run it. With out yalls help it wouldn't be possible.

With that in mind, I want to really take a moment and say thank you to my beautiful wife. She does more then I do for these events and planning them and making sure they run as smooth as possible. She takes more notes and remind me of so much stuff that I would forget. Everyone in region 15 knows She does more then I do....I'm just the name on it she is the driving force. So from myself and all of region 15 thank you clair for being my better half.

This coming up Sunday we will be taking over telegraph road across from blow town to do our motorcycle awareness drive. I know u will be reading this after the fact so I'm gunna say thank you now for those that come and support us.

We lost (pops). He will be so very missed. He was loud, very crazy, always fun and could always make everyone laugh. This don't have to be said but I think we all know pops u won't ever be forgotten. We love you man.

Until next time, ride safe ride smart.
