ANNUAL 40-HOUR VIRTUAL AND IN-PERSON PROGRAM

LOWER EXTREMITY MEDICINE AND SURGERY

APRIL 29-MAY 2, 2021

LIVONIA MARRIOTT • LIVONIA, MI

Presented by

ACLES • American College of Lower Extremity Surgeons

in collaboration with

AMITA • Chicago, Illinois

Unparalleled excellence in medical education

Past attendees will tell you: the annual ACLES 40-Hour Program is a medical educational experience like no other! You'll find no other course in foot and ankle surgery compares with the high-level collegial experience an ACLES meeting provides. You'll train and consult with the nation's leading educators and practitioners of lower extremity medicine and surgery in a relaxed, intimate environment that promotes engagement between presenters and attendees.

The 40-hour program features regular opportunity for one-on-one learning in structured lecture sessions, discussions, and workshops. Course content addresses every aspect of lower extremity surgery, from diagnosis to post-operative care.

The wide-ranging content enables experienced professionals to stay current with trends and developments in the field, and allows most physicians to acquire their annual requisite CME credits in a single weekend.

Who should attend?

- Podiatrists
- Orthopedic Surgeons
- Osteopaths

...who perform surgery of the foot, ankle or leg, their support teams, and other allied professionals with an interest in lower extremity surgery.

Only 200 conference spaces are available

**Be sure to reserve your place now —
register TODAY!**

Bring your tough cases to the Thursday night dinner, case presentation and discussion! **

The 6-10 PM Thursday evening case presentation and discussion is an excellent opportunity for attendees of the conference to share their own difficult cases with fellow professionals. This is always an interesting and dynamic learning experience for everyone involved! Bring in your own laptop or stick drive to present your case on screen. Dinner and beverages will be provided, and attendees will enjoy time to engage One-on-one with conference speakers.

Accreditation Statement

This activity has been planned and implemented in accordance with the standards and requirements for approval of providers of continuing education in podiatric medicine through a joint provider agreement between AMITA Health and American College of Lower Extremity Surgeons. AMITA is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. AMITA has approved this activity for a maximum of 40 category I, continuing education contact hours.

ALLOGRAFT ADIPOSE MATRIX

Leneva® is a first-of-its-kind human adipose tissue for soft tissue reconstruction.

As an all-natural extracellular injectable matrix, Leneva is a natural, off-the-shelf solution that has multiple clinical applications including, but not limited to:

- Diabetic Foot Ulcers
- Tunneling Wounds
- Pressure Ulcers
- Fat Pad Reconstruction Procedures

FACULTY & COURSE SCHEDULE

DAN ARONOVITZ, DPM grew up in Bloomfield Township and spent his undergraduate education years between the University of Arizona and Michigan State University. He went on to Podiatry school in Cleveland and completed his formal residency training in the St. John Health System, in 1988. Dr. Aronovitz is a second-generation foot and ankle specialist. He worked with his father in Warren, MI where he still maintains an office. He has served on residency training committees, national drug advisory panels and has been a director of the residency-training program in the St. John Health System. Dr. Aronovitz is board-certified with the American Board of Podiatric Surgery. He enjoys being able to help people to better foot and ankle health through a wide variety of treatments.

ROBERT BUSCH, MD, is the Director of Clinical Research at the CMHS. He practices Endocrinology, Diabetes, & Metabolism in Albany, NY at Endocrine Group.

JAMES DEJESUS, DPM is board certified by the American Board of Podiatric Surgery. He is currently the Chief of Podiatric Surgery at St Mary's Hospital in Waterbury Connecticut. He is also the site director at Naugatuck Valley Surgical Center for the Yale Podiatric Surgical Residency program. He is on the executive board for Naugatuck Valley Surgical Center in Waterbury and also co-manager for the surgical center. Dr. DeJesus is vice-president of the Connecticut Podiatric Medical Association. He is a member of the American College of Foot and Ankle Surgeons and the American Society of Podiatric Surgeons. Dr. DeJesus has lectured at various seminars nationwide and has moderated several foot and ankle instructional cadaver labs for foot and ankle surgeons, residents and representatives of orthopedic appliance companies. He is an active consultant for Arthrex Corporation and is on the medical education faculty of Arthrex Distal Extremity Division.

G. "DOCK" DOCKERY, DPM, FACFAS, is a Fellow and Past Board of Director of the American College of Foot & Ankle Surgeons. He is a Fellow of the American Society of Foot & Ankle Dermatology, the American College of Podiatric Medicine and the American College of Foot and Ankle Pediatrics. Dr. Dockery is Board Certified in Foot and Ankle Surgery by the American Board of Foot & Ankle Surgery and is Board Certified in Podiatric Orthopedics by the American Board of Podiatric Medicine. He is a Distinguished Practitioner in the Podiatric Medicine and Surgery Division of the National Academies of Practice. He was voted "One of America's 175 Most Influential Podiatrists" of 2006 and voted as "Movers and Shakers: America's Most Influential Podiatrists" in 2012, by the Podiatry Management Magazine Editors & Advisors. He has published more than 152 scientific articles in peer-reviewed medical journals and he founded the International Foot & Ankle Foundation for Education and Research in 1979 and is currently the Chairman of the Board and the Director of Scientific Affairs of that organization.

ANNABELLE DOOKIE, DPM, graduated from University of Alberta and completed a Master of Biomedical Science and Doctor of Podiatric Medicine degree from Barry University. She completed 3 years of extensive training in reconstruction and ankle surgery at Westside Regional Medical Center in South Florida. Dr. Dookie was always passionate about teaching as an attendee physician so, after several years in private practice, she joined Scholl College of Podiatric Medicine as an Assistant Professor in the department of Podiatric Medicine and Radiology.

MATTHEW HOLTZMAN, MD specializes in General Neurology. He is certified by the American Board of Psychiatry and Neurology. His special interests include Multiple Sclerosis, Parkinson's Disease, Epilepsy, Dementia, Migraine, Fibromyalgia/Chronic Pain, Neck/Back Pain, Stroke, Polyneuropathy, Myasthenia Gravis, Myopathies, Traumatic Brain Injuries/Concussions, and Traumatic/ Repetitive use Nerve Injuries.

BYRON HUTCHINSON, DPM, is a board-certified podiatrist specializing in reconstructive foot and ankle surgery. His practice includes treatment of various misalignment problems in the foot and ankle, as well as surgery for lower limb deformities or complex structural deformities of the foot and ankle. He has particular medical interest in treating patients with Charcot deformity, failed ankle fusions, chronic ankle instability and many other conditions. Dr. Hutchinson strives to provide information to patients with respect to their medical options so that they can participate fully in making informed choices.

LELAND JAFFE, DPM, FACFAS, CWSP is a Diplomat, American Board of Foot and Ankle Surgery; Board Certified in Foot Surgery; Fellow, American College of Foot and Ankle Surgeons; Assistant Professor, Dr. Wm. M. Scholl College of Podiatric Medicine; Rosalind Franklin University of Medicine and Science, Council on Podiatric Medical Education, ABPM Residency

ALLEN MARK JACOBS, DPM, is in private practice in St. Louis, Missouri and is an adjunct associate professor at St. Louis University School of Medicine. He is board certified in reconstructive surgery of the foot and ankle by the American Board of Podiatric Surgery, and is a Fellow of the American College of Foot and Ankle Surgeons. For 25 years, Dr. Jacobs served as a Director of Podiatric Surgical Residency Training, and has also served as a contributing editor to the Journal of Foot Surgery, and as the Scientific Chairman of the American Podiatric Medical Association. He has published over 80 scientific articles in various publications and 17 chapter contributions in various textbooks. He is a nationally recognized author, researcher and a noted authority of surgery of the foot.

STEVEN R. KRAVITZ, DPM, FAPWHc, FACFAS is a Diplomate of the American Board of Foot and Ankle Surgery and the American Board of Podiatric Medicine. He is also a Fellow of the American College of Foot and Ankle Surgeons, and Certified in Wound Healing by the Council for Medical Education and Testing. He is the Founder and President of the Academy of Physicians in Wound Healing (APWH) and the Council for Medical Education and Testing (CMET). He is an Assistant Professor for the Advanced Wound Healing Center, Temple University School of Podiatric Medicine where he has served continuously as faculty for 35 years. He continues to do research and author multiple articles; he is an internationally known speaker on wound healing and related topics.

GUIDO LAPORTA, DPM, MS, FACFAS is a graduate of the Temple University School of Podiatric Medicine (TUSPM) and completed his Residency in Reconstructive Foot and Ankle Surgery at the Bay Area Residency Program in San Francisco. He received his Master's degree in Podiatric Surgery from the California College of Podiatric Medicine. Dr. LaPorta has always been involved in the education of Podiatric Physicians and Surgeons since he began his professional career. He served as Chairman of the Department of Podiatric Surgery at TUSPM and founded Residency programs at Metropolitan Hospital in Philadelphia, Geisinger-Community Medical Center in Scranton, PA and for the past 25 years has been Director of Podiatric Medical Education at Our Lady of Lourdes Hospital. Dr. LaPorta is Board Certified by the American Board of Foot and Ankle Surgery (RRA), the American Board of Podiatric Medicine and American Academy of Podiatric Sports Medicine (Founding Member). He is a Fellow of the American College of Foot and Ankle Surgery, the American College of Foot Orthopedics and Medicine and National Academies of Practice in Podiatry.

BRYAN C. MARKINSON, DPM is the Chief of Podiatric Medicine and Surgery and Associate Professor in the Leni and Peter W. May Dept. of Orthopedic Surgery of the Icahn School of Medicine at Mount Sinai in New York City. He is certified by the American Board of Podiatric Medicine. Dr. Markinson founded the Podiatric Pathology service at the Mount Sinai School of Medicine. Currently, he is an instructor in the Department of Dermatologic Surgery and Team Member of the Skin Cancer and Melanoma Unit of the Tisch Cancer Center. He is a frequent lecturer nationally on various aspects of podiatric dermatology and nail pathology. In 2004, he was elected to the Board of Trustees of the Council for Nail Disorders, a position he still holds. His areas of special interest are skin and nail fungal infections, pedal melanoma, soft tissue masses, pedal dermatitis, longitudinal melanonychia, and podiatric dermatological risk management.

STEVE A. MCCLAIN, MD, FCAP, FASCP, FAPI graduated from the University of Missouri Columbia School of Medicine in 1982. He works in Smithtown, NY and specializes in Dermatopathology and Pathologist. Dr. McClain is the Medical Director of McClain Laboratories. He is Board certified in Anatomic and Clinical Pathology and Dermatopathology and has academic appointments in Dermatology and Emergency Medicine at SUNY-Stony Brook Medical Center. He is a member of the American Society of Dermatopathology and the Association for Pathology Informatics.

ALEX MCKANNA, DPM received his BS in biology with two minors in chemical instrumental analysis and Spanish at the University of St. Francis in Joliet, IL and attended medical school at Dr. William Scholl College of Podiatric Medicine in Chicago, IL. After graduating in 2015, he completed a three-year residency at Franciscan Health/Midwestern University. He is board qualified by the American Board of Foot and Ankle Surgery in foot surgery and rearfoot and ankle reconstruction. He has a special interest in pediatric podiatry focusing on lower extremity conditions in children. He has professional memberships with the Illinois Podiatric Medical Association, the Association of Extremity Nerve Surgeons, the American College of Foot and Ankle Surgeons, and the American Podiatric Medical Association. He specializes in diabetic wound care and limb salvage and has been in practice since 2018.

DAVID NOVICKI, DPM is an assistant professor of surgery, Yale University School of Medicine, Department of orthopedics and rehabilitation. Current chairman of the Board of Trustees, Temple University School of Podiatric Medicine. Past president of the American College of Foot and Ankle Surgeons. Past president of the American Board of Foot and Ankle Surgeons.

NADEER A. PIRANI, MD, FRSCPS is a radiologist in North Las Vegas, Nevada and is affiliated with multiple hospitals in the area, including North Vista Hospital and St. Rose Dominican Hospitals-Siena Campus. His research objectives include: Diagnostic Radiology/Cardiovascular Imaging, Clinical Vascular & Interventional Therapies, Interventional Oncology/ Minimally Invasive Tumor Therapies, Wound Care, Hyperbaric & Vascular Medicine

FRANKLIN ROSENBLAT, DO completed his Internal Medicine Residency at POH Medical Center, followed by a Fellowship in Infectious Diseases at the University of Cincinnati Medical Center, and Botsford General Hospital. He has been practicing clinical Infectious Diseases in the community setting since 1995, in the inpatient and outpatient setting throughout Oakland County. He serves as the chairman of the Pharmacy and Therapeutics Committee at McLaren Oakland Medical Center, where he also performs duties in Infection Control and Antibiotic Stewardship. He is an Assistant Clinical Professor of Internal Medicine at Michigan State University College of Osteopathic Medicine, and regularly teaches Infectious Diseases to residents in Internal Medicine, Emergency Medicine, and Podiatry.

WILLIAM J. SARCHINO, DPM, FAPWHc, FACLES, FRCPS is President of the American College of Lower Extremity Surgeons and Chair of ACLES' annual 40-hour and 18-hour Programs. Residency director, Southwestern Vermont Medical Center

IRA WEINER, DPM has developed and co-developed a number of innovative podiatric surgical techniques. In addition to his surgical practice with Genesis Vascular Healthcare, he co-directs the North Vista Hospital Wound Care Hyperbaric Oxygen and Limb Salvage program. He is also an adjunct professor at Avalon University School of Medicine and Universidad Autonoma de Guadalajara, a consultant for Mimedx Biologics and a panel member for Orthox Trulock. He is a Diplomate, ABLES, ACHCA, UHMS
