

“That, My disciples, brings Me to the reason I have chosen you. In My Name and with My Power, this wondrous Gospel-Truth is what I send you to announce. As the Father sent Me, so do I send you. I make you fishers of men. Connect them to Me that I may connect them to My Father. For this did I come into the world, to be God’s Harbinger of the News that Union with God is possible, and that I am to affect it.

“My Message is this: mankind is finally liberated from its uncertainty over life’s meaning and what is humanity’s place in the universe. Humans were created to be Yahweh’s conscious flock of responsive enthusiasts, they were made to consciously love, serve, and glorify the Creator on earth just as the angels were created to glorify His work in the heavens. Lucifer failed to lead this voluntarily in the Spirit World and attempted to turn its acknowledgment, and made himself into Satan, ‘the Adverse to the Lord.’

“It is he who has made humanity his co-rebel, shackling it to his world by a Seven Headed Sin bond and bringing death to the human world. He must be defeated and mankind released from his vice-like grasp. My Death to assuage Mankind’s Sin and Rebellion will **redeem all sinners** from Satan’s hold. By acknowledging My saving redemption they can be free to deliberately reactivate the loyalty they owe to God.

“You are to be My co-fishers of men and announce that God’s earthly flock has been turned around and is being led by its Victorious Shepherd into His Messianic Kingdom forgiven. You will teach and model that there can be Divine Communication and Eternal Union with the Creator through Me. It is of the greatest importance that you pass on all My Revelation Teachings, the Word and Spirit of Godly Life you have received through your student- discipleship with Me. In My sheepfold men will be fed on God’s Word, guided to do God’s Will, and shepherded onto the Way of My earthly Kingdom that will one day join them to the Kingdom Heavenly! The Word of Life I gave you is for you to learn, practice, and teach. Extend My Message to every generation, assuring mankind it has been reconnected to its Creator. That is your goal.
