ABATE of Michigan, Inc. (American Bikers Aiming Toward Education) is a non profit organization dedicated to preserving the rights and promoting the safe operating practices of Michigan motorcyclists.

ABATE of Michigan is a freedom of choice organization: believing that the rider is best able to decide the type of motorcycle to ride, and the type and extent of safety gear worn. Our primary objective is to monitor motorcycle related legislation and encourage all members to become politically involved. Through public forums, writing letters and meeting elected representatives ABATE of Michigan members have the opportunity to speak their side of the issues and educate others on the needs of Michigan

motorcyclists. ABATE works to get legislation and funding for riders education program throughout the state. These programs train thousands of new motorcycles each year. Courses are also offered for the experienced rider. In addition, ABATE members have staged and participated in events raising tens of thousands of dollars and collecting much needed items such as food, clothing and toys for local communities.

ABATE of Michigan enables you to become educated both politically and in safe riding practices. ABATE offers you activities and the brotherhood of fellow motorcyclists. ABATE fights for the rights of ALL motorcyclists to ensure that we and our children will be able to enjoy the freedoms we hold so dear. ABATE of Michigan is open to everyone 18 years or older having an interest in preserving personal freedoms and sharing our goals. Owning a motorcycle is not necessary. Members receive a newsletter covering important issues and information on local, regional and national events. (One newsletter per household). Membership fees & donations are NOT tax deductible. ABATE of Michigan invites you to join us and help make Michigan the best place to ride in the USA.
