

BILLING POLICY 2015

We sincerely appreciate your business and would like to clarify our billing policy. All accounts are due on your last visit of the month. The current billing policy for Saddleback Pediatric Therapy Svcs. offers two choices:

- You may pay for each session by either check or credit card after each session. A computerized statement will be available on the last visit of the month.

Or

- You may pay for all of the services on your last visit of the month by either check or credit card. If this is not done in person we would like your permission to bill your credit card by 5pm on the day of your last appointment of the month. Any account outstanding by the 1st of the following month will be billed a thirty dollar late fee.

Please put a check mark by your billing choice.

THANK YOU,

SADDLEBACK PEDIATRIC THERAPY SERVICES
