

TROUBLED WATERS IN INTERNATIONAL TRADE:

Impact on Northern Illinois Economy

United Kingdom exit from European Union (Brexit), and trade disputes between US-China and Korea-Japan could significantly impact most local businesses, manufacturing or service, agriculture, and investors – whether exporters, importers or neither. Join an educational, non-political discussion moderated by Don Manzullo featuring:

Mark Tokola, former US Senior Foreign Service Officer, Minister Counselor of Political Affairs to the US Embassy in the UK and current VP Korea Economic Institute of America

&

Roxana Idu, PhD, Assoc. Professor of Economics, Puri School of Business, Rockford University
