-SPECIAL THANKS-

There are so many people that we need to thank that helped made this production possible. First, a huge thanks goes to the Board of Directors for allowing us to do this production for you tonight. Also, to anyone who helped with set, donated props, answered phones in the box office or even served tea and coffee, all need to be thanked! Without their hard work or support, the Gaslight Theatre would not be possible. To Jim, Rachel, and Tara...thank you so much for always being there for support, questions, or just keeping the two of us sane. We would also like to recognize the people who slaved over sewing machines making the costumes for this production. You did more than you can possibly imagine. And big thanks to Joey Kaspar for painting our Sherwood Forest. It looks amazing!

We definitely cannot forget our cast! If it wasn't for their cooperation and drive, there is no way this play would even be performed. Thanks for all of the late nights, memorizing all of those lines, doing everything we asked of you, and making this such an enjoyable experience.

And last, but certainly not least, we would like to give a warm thank you to Mary Lynn Dobson, the author of the play. She answered our many questions, gave us plenty of ideas, and provided part of the soundtrack for this play. Her love for theater helped us to push our show in the right direction.

Thanks to everyone once again and enjoy the show!
Carli Kaspar & Russell Wagner
