100 years from now it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove. But the world may be different, because I was important in the life of a child.

HLVS Virtual Tour Now Available on Our Website

The pandemic has had a far reaching effect on many people in many ways. Some of our students families in addition to prospective students and their families have been unable to see all that Little Village has to offer. We have recently added a “virtual tour” of Little Village that can be accessed from our home page www.littlevillage.org. We invite you all to visit!

Mother's Day Parent Association Plant Sale

Thank you to our Plant Sale chairpersons, **Melanie Biscuiti** and **Lily Caruso** as well as members of our Parent Association for all of their hard work with this year's plant sale! **Butch Starkie** and **Veronica Kovarik** of Starkie Brothers Custom Landscaping provided us with a wonderful assortment of plants to choose from!

Eagle Scout Project

Over the weekend of May 15th, one of our alumnus students completed his Eagle Scout project at HLVS. **Bryant Wong, Kelly Wong's** son, was here with about 40-50 volunteers. They updated and replanted our memorial garden. They also cleaned, and provided new plantings for our student-accessible gardens and added elevated planting beds.

Bryant and the crew that he managed did an outstanding job!

Foursomes are going fast! Only a few remaining!
Great Prizes, Fabulous Games!!
