Summary:

I am an award-winning podcast host, executive producer, network architect, and industry expert who has grown my own podcasting firm, Flint Stone Media (since 2014), launching and growing successful shows for various high-level clients. I host both Podcasting Your Brand and the Power Moms Podcast, and am also the Founder of the Power Moms Network. Now that my FSM and PMN entities run with minimal oversight and intervention from me (thanks to my amazing team), I am searching for an opportunity to lend my skills and talents to another organization.

Awards:

2020 Podfest High Achiever Award

2022 “40 Over 40 in Podcasing” List

2022 Craft Beer Marketing Gold Crushie

Experience:

Flint Stone Media, LLC | Boynton Beach, FL | FlintStoneMedia.com
Founder, President, & Executive Producer | June 2014 - Present

I discovered podcasting in 2014 and have grown my business, Flint Stone Media by hosting and producing podcasts and also managing podcast networks. Altogether, I have managed the launch and ongoing production for over 60 shows. I am a podcast host, producer, coach, speaker, and industry expert who earned the privilege of being the first Podcasting Instructor for the Connecticut School of Broadcasting, creating their core podcasting curriculum. Additionally, I have been the recipient of various awards, including Podfest’s 2020 High Achiever Award and a 2022 Gold Crushie from the Craft Beer Marketing Awards for Florida Beer Podcast. And, I was also featured in Podcast Magazine’s “40 Over 40 in Podcasing” list for 2022. I host Podcasting Your Brand to help others build their brands through the power of podcasting. And, I have also co-hosted official branded podcasts for other organizations--both the Podfest Podcast and the Owwll Podcast. My latest podcast passion project is building the Power Moms Network, where I host the flagship show, Power Moms. Power Moms is all about empowering moms to lift the world!

Podcasting & Media Production Career Highlights:

In addition to being an avid podcast host and producer myself since 2014 (including Finding Florida, Podfest Podcast, Owll Podcast, Podcasting YourBrand, Power Moms Podcast, and more...), I have also had the privilege of being an industry leader through the following opportunities:

- 👛 Podcasting since 2014
- 👛 Owner and Operator, Flint Stone Media LLC
- 👛 Producer of 60+ shows for clients across various industries and locations throughout the globe

- 💻 Founder and Host, Power Moms Network
- 💻 Founder, Host, and Chief Enthusiasm Officer, Florida Podcast Network
- 💻 Production Manager, Horse Radio Network
- 💻 Launch Director, The Wedding Biz Network

- 🏆 Recipient, Podfest Multimedia Expo's 2020 High Achiever Award

- 🏆 Named, Podcast Magazine's 2022 "40 Over 40 in Podcasing" List

- 🏆 Recipient, CBMA's 2022 Craft Beer Marketing Gold Crushie

- 🌟 Co-Emcee, PodMatch's Quarterly Podcasting Made Simple Live events

- 🌟 First EVER Podcast Instructor, Connecticut School of Broadcasting

- 🌟 Organizer, Palm Beach Podcasters MeetUp Group

Networks: (Ongoing projects now require minimal direct oversight and management from me.)

Power Moms Network ~ "Empowering Moms to Lift the World"

PowerMomsNetwork.com

Founder, Host, and Producer | May 2023 - Present

As both a podcast network and community, I have grown PMN to support opportunities for mothers to mentor other mothers.

Horse Radio Network ~ "Now Part of the Equine Network Family"

HorseRadioNetwork.com

Production Manager | Sep 2019 - Present

My team and I are tasked with overseeing their podcast production operations. That requires maintaining their production schedule, having direct contact with their show hosts to coordinate episodes across their 40+ shows, managing release dates, and other related opportunities.

The Wedding Biz Network ~ "The Voice of The Creative Entrepreneur!"

TheWeddingBizNetwork.com

Launch Director | June 2019 - Jan 2021

I was trusted to develop the business plan and production operations in order to launch The Wedding Biz Network. I then lead sales calls and presentations to bring in new hosts and sponsors, designed and built their website, developed and launched individual shows (including Stop and Smell the Roses with Preston Bailey), and managed their ongoing production.

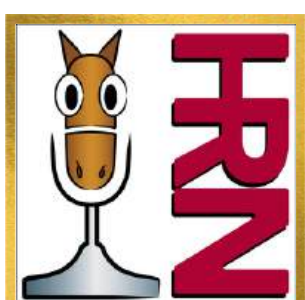

Florida Podcast Network ~ "The Voice of Florida"

FloridaPodcastNetwork.com

Founder, Host, and Chief Enthusiasm Officer | July 2017 - Present

From the salt life to the swamp life and from its swing state status to its collection of eclectic characters, I built FPN to help our great State of Florida continue to prosper through the power of local voices in podcasting.

Horse Radio Network ~ "The Voice of the Horse World"

HorseRadioNetwork.com

Production Coordinator | May 2017 - Sep 2019

I was tasked with producing their daily morning show, Horses in the Morning, contributing to the editing of their 20+ shows, and other related opportunities.

Data Analytics Career Highlights:

I am a dedicated and self-motivated analyst with over 17 years of proven experience designing, coding, automating, and managing reporting. I am passionate at structuring reporting from the ground up, interpreting business unit ad hoc requests, coding reporting with SQL, automating reports, and processing, analyzing, and presenting data in a comprehensive manner to clients. I have excelled at effectively managing multiple high-priority projects, such as Podcast Growth Reports, Daily Agent Performance Reports and Incentive Compensation Plans. I take pride in exemplary performance and applying these skills now in my capacity to measure, track, and influence podcast content growth. **Key skills include:**

- SQL Coding and Automation
- Batch Data Analytics
- Project Coordination and Oversight

- MS Office Expertise
- Dynamic Excel Spreadsheet Reporting
- Managing Ad Hoc Assignments

Experience: (Many of these assignments were on a temporary and/or consultative basis.)

Flint Stone Media, LLC, Boynton Beach, FL Chief Data Statistics Analyst and Podcast Growth Strategist June 2014 – Present

I routinely pull statistical data from clients' podcast hosting accounts and prepare reporting via spreadsheets. I also prepare audience growth strategies based on content performance reports and provide clients tactics for increasing their podcast reach and performance.

SBA Communications, Boca Raton, FL Database Analyst November 2013 – August 2015

I was responsible for supporting the development and implementation of SQL databases in an MS SQL environment. I designed dynamic reports in SSRS, managed database applications and reports, supported developers, and helped optimize and tune queries. I also reviewed, designed, and developed data models and actively managed and maintained project plans for company initiatives.

Client First Settlement Funding, Boca Raton, FL Senior Business Systems Analyst July 2013 – October 2013

I performed high-level data extraction, analytics, and reporting for Upper Management using various reporting tools—including Microsoft SQL Server, Excel, and Access.

Infinity Sales Group, LLC, Boca Raton, FL Business Data Analyst June 2012 – July 2013

My responsibilities in this position began as developing innovative reporting for the DISH Sales Team and grew to include supportive reporting for multiple departments of the company.

JM Family Enterprises, Deerfield Beach, FL Compensation Analyst July 2010 – February 2011

My job duties included consolidating both 1) the year-end incentive spreadsheet files from 2003-2008 and 2) the commission spreadsheet files from all business units each into a historic Access database.

Ocwen Loan Servicing, LLC, West Palm Beach, FL Reporting & Loan Analyst October 2007 – May 2010

As part of both their Default Asset & Reporting division and their Legal Department, my responsibilities included 1) managing and automating nearly 150 daily reports, 2) fulfilling ad-hoc querying and reporting requests (often involving the use of SQL coding, Access, Excel, and the internal reporting system), 3) finalizing incentive compensation plan calculations, and 4) performing account reconciliations for both payments and taxes.
