

ABATE REGION 19 MEETING

September 3, 2019

NEW MEETING TIME!! 7 PM Still CJ's Upper Deck

LEGISLATIVE REPORT – Vince Fabis provided us with the latest legislative news even though he himself could not make the meeting. No movement yet on the insurance reform bills. Our main interest is the bill that concerns the motorcycle side of insurance reform and would change whose insurance pays when a bike is involved with a car in an accident.

Nor is there any news on the State Butterfly bill nor the bill to designate the State Insect. But rest assured, when something happens, you'll be able to say you heard it here first!

SECRETARY'S REPORT was approved as presented.

TREASURER'S REPORT – Pete gave us an update and we ain't broke yet.
