Latvia trip

A group from our church went to Latvia, LV a small country just off of the Baltic Sea to help work on some buildings for a church camp near the village of Uzava. With a strong emphasis on completion of our work, we were able to accomplish much in a short period of time. In other words we pushed hard, painting, installing flooring and siding for the few short days we had. The camp is used in the summer for youth groups and other training classes. I understand that the whole summer is already booked up.

It was interesting to see the Christian work going on in country as we traveled across Latvia. We were able to see a church in Riga that was built in 1933. The Soviet union took over the church to use it for a theater. They removed floors and bricked up windows during their conversion to the theater that was used by the elite. After the dissolution of the Soviet Union, the property was returned to the church convention. Floors are now being replaced and classrooms rebuilt. The renovation is impressive. The church congregation of 20 people, is small and poor, so their classrooms serve a dual purpose, being rented out to raise needed income.

We shared Sunday morning church service, in a beautiful church in a small town where the gospel seems to be strong and viable. We sang worship songs that were familiar to us but with words that we didn't recognize. It was beautiful to see the small children that were there, learning and being taught the Good News of the Bible. Something to be praying about for that church, is that they were older, middle aged people and young children, but the youth were few.

I also had the opportunity to share with three people specifically on the airplane flights. A Muslim by the name of Mahamoud listened as I shared my story about Christ's love with him. Since he is allowed to read the Bible I suggested that he read the book of John. The other two, Jeremy and Mariama were reminded of the importance of getting back into regular church attendance.

Each of us have opportunities to serve the Lord each day. As you pray ask the Lord to give you opportunities that The Holy Spirit can use for eternal effect.

Thank you club and God bless,
Stan.

President McCully's Message

My fellow Car Club Members,

Well, our first two shows of the year have both been rained out. Fortunately, our club has great support in the community, as both of our make-up shows had great attendance; 222 cars paid, 187 registered in March and 157 cars registered in April. As of right now I don't know how many paid in April.

If you are able to come to the monthly show, please do so. We need your help. Our next show is on May 19th. For some members that will be a very busy day as that is also the day of the Corvette Show at Texas Motor Speedway. Our club supplies the sound and DJ for their show.

May's Club meeting location was changed to Dayspring Church, as the Euleus location of Dixie House Café closed its doors permanently on May 1st. We will be having the June business meeting at Dixie House on Lancaster at Loop820, starting at 7:00 p.m. and will end by 8:30.

And In Other Breaking News:

Jim Bowie Cruise

On Saturday, March 31, 2018 with Wayne K driving his 1937 Azalea Ford and I (Dwain) driving my Black 1931 Ford Coupe, we cruised to Bowie, Texas to the Jim Bowie 15th Annual Car Show put on by the Piston Heads Auto Club.

After registering and checking out the 190 cars and trucks, it was time for the Awards Ceremony. It was a 50/50 chance that one of us would be a Class Winner. I am proud to announce that my Black 1931 Ford Coupe was the Class Winner.

Metro Soles for Souls Shoes

Hi Friend:

I wanted to reach out to you about Metro Soles for Souls shoes outreach coming up Friday June 1st and Saturday June 2nd. This is our biggest outreach of the year and we could not pull it off without the support of amazing volunteers and donations from incredible sponsors.

Each year, we wash our guests feet and give away over 1,000 pairs of brand new shoes! We provide our guests with lunch, groceries, clothing and much more. It is an amazing way to truly touch the lives and hearts of people in the inner city of Fort Worth!

We would love for you to partner with us this year. There are several ways you can get involved.

1. VOLUNTEER!

This event requires over 100 volunteers each day to run smoothly! We use workers of all ages in several different areas. Below is the sign up link for you to secure your volunteer spot. You can find times and locations on this link as well. We need lots of hands and feet to make this thing a success!

2. DONATE

There are several costs and donations needed. We have a lot of women's shoes already. We are still needing NEW men's shoes to complete our counts. We have to purchase the food to provide lunch. We give away two TVs at each location to bless families with. We also provide shirts for all of our volunteers. It takes about \$12,000 to make this all happen! You can click on the link to donate or contact us to partner with us.

3. SHARE SHARE SHARE!!

Please share this event with anyone and everyone you know through email, social media and any other means you wish. We would greatly appreciate it.

Thank you for partnering with us! Thank you for helping us make a difference in the inner city of Fort Worth!

Have an AMAZING DAY!
