

CARDINAL CROSS OF THE HEAVENS

The purpose of this study is to illustrate the Cardinal Cross that will reach its zenith on April 23, 2014. This Cardinal Cross, in comparison to most others, is very peculiar in several ways. 1) It occurs right after the start of the Tétrad. 2) It occurs in-between the 1st Blood Moon and the accompanying Solar Eclipse. 3) It occurs at precisely 13 degrees from each of the Cardinal signs. 4) The planet alignments of Mars-Pluto-Uranus-Jupiter will all be 'squared' or at 90 degrees of each other. According to some who study astronomy, the Cardinal Cross will coincide with the Grand Cross. This is rare since it has not happened since a full Precession of the Equinox. According to astronomy, the 4 Cardinal Signs are Libra-Capricorn-Aries-Cancer. These Cardinal Signs are not to be confused with the 4 celestial Cardinal Points of Leo-Scorpio-Aquarius-Taurus that are also corresponding to the Biblical 'Sentinels' before the very Throne of the Creator in Heaven as depicted in the Bible. To those in the Christian community in particular that believe that the LORD has prescribed signs in the Sun, Moon and Stars, the Tétrad of 2014-15 accompanied by the Cardinal Cross is yet another confirmation and emphasis of just how profound the Tétrad is anticipated to be.

VATICAN CARDINAL CROSS

On the visit of Queen Elizabeth II to see the Pope, the backdrop was that of the Cardinal Cross with a centered couple embracing with 13 celestial bodies depicted. The background axis is an inverted Swastika and the cranks the Angels are holding are a depiction of As Above so Below Luciferian mantra.

CELESTIAL SYMBOLS

CELESTIAL CLOCK OF THE COSMOS

According to the Bible, the Creator has positioned the celestial bodies in motion, they are a time-piece that functions like a mechanical clock. They are not then a nominal random occurrence as some secular scientists would prefer to reason with. Yet those within the 'scientific' community scoff at the notion that such celestial movements that configure on precise Holy Jewish Feast days and Cross alignments as mere coincidence. What many fail to realize is that upon an examination of the prophetic Tétrad and Cross alignment history, such will corroborate with the cycles of disasters, war, famine, etc.
