ANNUAL FASHION SHOW!

SPEAKER

President's Message

**Kat Culkin
President**

Dear Navajo Canyon Members,

Our dedicated NCRWF VOLUNTEERS are the best of the best and I thank you for all that you do.

My heartfelt thank you's for the many ladies who volunteered at the Elks Lodge for Yes on 6 and those who volunteered in our booth at the La Mesa Octoberfest. We are the boots on the ground, the true patriots of our party with much to do before the election. We chatted with many Republicans at the Octoberfest who are as dismayed as we are with Politicians playing games with Judge Kavanaugh and his poor family.

With November 6th Election just around the corner I am asking each and everyone of you to help get all Republicans elected. There are so many opportunities to help, through registering voters, EIP (Election Integrity) or volunteering for our candidates.

If you are a Veteran please let me know which branch of service you were in as SDCFRW will be honoring "our Veterans" at our November meeting. Contact me and please come and join the festivities so we can honor you!

Morgan Murtaugh has been slimed by Ken Stone from the Mission Times.

Our NCRWF member Morgan and all her hard work is certainly getting noticed! As this race starts to heat up even more the opponents are coming out of the woodwork to bring her down through the use of underhanded tactics. There was an article written about Morgan several weeks ago from a journalist who asked her a hypothetical question about whether or not she would move to impeach a president if they were found guilty of high crimes or misdemeanors and Morgan said yes, that she would move to impeach ANY president if they were found guilty of high crimes. The journalist, Ken Stone then twisted that into a click-bait headline that read:

"GOP's Morgan Murtaugh, Youngest Candidate for Congress, Open to Impeaching Trump." **This is simply not true and has stated her support in a manner that supports the Constitution.** She is counting on our continual support as she moves forward and understand that some in the media are doing everything they can to ensure that Morgan , a Republican, lose the election. Morgan thanks all of you for helping lead her to victory in November 6th.

As we all know, Judge Kavanaugh is innocent, as is Congressman Duncan Hunter. My goodness, we are innocent until proven guilty!

We Republicans are all sickened by the leftest and FAKE NEWS! When we come together as a group we can do amazing things so, keep up the great work!

I think we all are looking forward to a much needed rest after the November 6 election.

See you at the Fashion Show!

Chaplain's Message

"You are just a vapor that appears for a while & then vanishes away."

James 4:14b

In this mess of a world how are you seen? Are you the one that promotes love, kindness, truth or the one that does the exact opposite? We must, especially now, in these times of lies & deception & midterm elections be the voice of reality & concern. Let us in these crazy days have our vapor continue so that when we vanish away, others remember us in a positive light.

MEMBERSHIP

New Procedure for Club Dues

As of October 1, 2018, we are collecting club dues for the calendar year of 2019. Please keep in mind that since we are transitioning to our new club structure, there will not be any dues or membership in the NCRWF in 2019 but instead, our new club will be formed and all dues and membership will be in the new club.

The new club name is Republican Women of California – Navajo Canyon (RWCNC). Should you choose to submit your dues for next year, please make sure that you make your check out to Republican Women of California – Navajo Canyon or RWCNC.

The dues are \$30 for women members and \$15 for associate members (spouses or members of other Republican Women Clubs in San Diego County).

I would be glad to accept your dues for 2019 at the Fashion Show next week. Please make sure that you enter "2019 dues" in the memo line on the check.
