FREQUENTLY ASKED QUESTIONS

MORE THAN
50 YEARS
of
EXPERIENCE

Who is Argen? ▶ The Argen Corporation is a worldwide leader in dental alloys, dental zirconia, digital dentistry and scrap refining services. Argen has more than 50 years of history as a trusted partner in the dental industry.

What are the benefits of refining with Argen? ▶ Argen's expertise, experience, and focus on precious metals are key factors in maximizing refining returns. Argen uses highly sophisticated state-of-the-art technology, proprietary materials, and a unique processing system to ensure that the maximum amount of precious metals is recovered and you receive the highest value possible for your scrap. Satisfaction is guaranteed or materials will be returned to you at no charge.

How do I use this service? ▶

1. Request a free refining kit at dentistrefining.com, contact Argen Refining at (866) 853-0774, or contact a sales rep from our dealer network.
2. Place your scrap in the collection jar and secure with red security tape. Complete the Argen Refining Form and pack the jar and form into the supplied FedEx envelope.
3. Fill out the FedEx billable stamp and call FedEx for a pickup at (800) 463-3339.

What is the turnaround time? ▶ You will receive a personal call to discuss your settlement within 10 business days after receipt.

What is Argen's freight policy? ▶ Argen provides free FedEx envelopes and covers all shipping and insurance charges.

Who can I call if I have question? ▶ A dedicated team of professionals is available to answer your questions. Call Argen Refining at (866) 853-0774.
