

Katie Alexander

My spare time is spent with the people I love and my dogs Angus and Jersey.

One of the most inspiring things for me is to watch individuals rise out of dire circumstances and overcome obstacles to achieve a better life. I'm a huge fan of the underdog, and believe that anyone can accomplish great things with the right determination.

I began working for CAPCIL in June of 2014 and it has been one of my best life choices to date. I am so thankful for my job, my boss, my peers, our customers, and the community we serve. The individuals who work at CAPCIL believe and live the mission of this agency and it is something I am very proud to be a part of.
