**From Adam Schuster Memorial Committee:**

Hey soccer friends! We have a wonderful and exciting update for the 30th annual Adam Schuster Memorial tournament. Because of the ever evolving and changing government restrictions, the tournament committee met this evening and decided that we would be able to have the tournament based on the state of Ohio's change of stance on the one game per day rule!

We are going to work hard over the next month to make this a successful weekend.

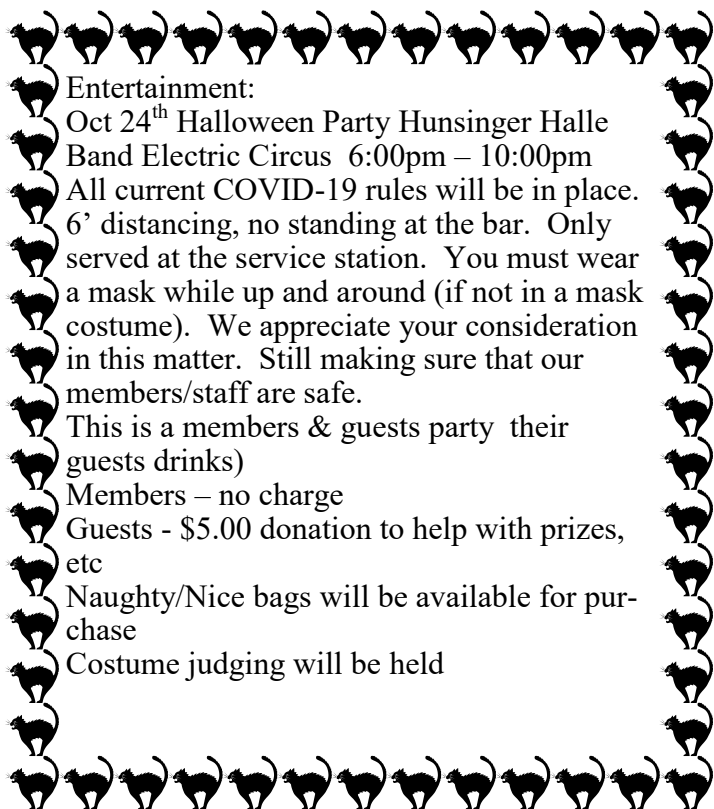

Keep your teams practicing!

We will have registration open over the next few days. When we do, we will notify you to go to our registration link.

If you have questions don't hesitate to reach out to us!

We look forward to a great weekend of soccer October 30-31st and 1st of November.

If you are able to help us in any way, even behind the scenes, please contact Karl Schuster or any tournament committee member.

I'm trying to start doing a monthly bulletin. This will be in a slightly different format and no longer be mailed. It will be posted on the website and we'll also have paper copies in the club. I am also still going to try and send out weekly updates when possible. If anyone has anything they'd like in the bulletin, please make sure to get me the information by the monthly meeting.

Thank you
