After 10 years, Dr. North makes a "House Call"

A hospital might be an unusual place to hold a book signing, but for the fact that the author is an OB/GYN at the hospital. [Dr. Darden North](#) recently held a signing for his self-published first book, *House Call*, at Woman's Hospital in Flowood. (He's also held a signing at [Lemuria Books](#) in Jackson.)

The book is a medical murder/mystery that takes place in the fictional town of Montclair, Mississippi. For more information from the author or to request a signed copy, e-mail darden@dardennorth.com.
