LITTLE HERSHEY PHONE CONFERENCE, JAN 4th

We had a phone conference call Monday evening to discuss the results of the conversation with the Farm Girl Main Street Market folks concerning their willingness to meet our requests and to confirm our understanding of the terms of relocating our Car Show/Parts Meet to the other side of the Boone County Fairgrounds.

Dave Lantz, our Little Hershey Chairman/Point Man, informed us that the Farm Girl folks agree (that for as long as they stay in our old fair ground location) that they will pay rent for our spaces. This includes:

- the use of two buildings (referred to as the Poultry Building and Goat Building)
- 6 port a potties
- 2 ticket booths
- 6 or more handicap parking spaces
- +/- 60 indoor vendor spaces
- +/- 240 outdoor vendor spaces
- the ability to paint/spray/identify vendor spaces
- Use of Gate #3 as our primary access/egress

We will also have access to power and water and a specified indoor space for our club tables/space.

We also briefly discussed and confirmed that our admission fee will \$7.00 and that our Car Show will actually be like our last one - a Cruise In and we will charge passengers \$5.00.

We also briefly acknowledged that we will need new signage.

3 D Sound is on board.

We will advertise Free Parking

Dave Lantz will contact our printer and get the new flyer/handouts printed up.

Joe Maurer fell and re-injured his leg on Dec 31 when he went out to fill his bird feeders and required hospitalization. He has had several surgeries to repair the damage and he will then rehab for awhile. Give Joe and Bean a call for support and keep them in your prayers. Joe's cell phone number is: 815 - 541 - 9237.

Betty Clifton is still dealing with a sore back and will have surgery in April to correct it. Let's keep her in our thoughts and prayers.

PICTURES COMMITTEE - DATE..... WHO KNOWS??????

We will **eventually** clean out the storage shed and among that 'stuff' are some club pictures. We are asking for volunteers to help make some sense of these historical club memories. A small committee to help identify and sort these pictures so that they can be put on our web site is what this task is about. Yvonne Wilson has volunteered to help, as well as Dean Wanfalt, but we really need some other folks to lend a hand as well. Please call Steve Kindell or Wayne Orrison.

JOKES - RANDOM BITS - QUOTES, JOKES, ETC.

Ole finds a lamp. He rubs it and a Genie emerges. The Genie tells him he will be granted three wishes. Ole thinks for a moment and says "First, give me a bottomless mug of beer". A mug of beer appears in his hand. He sips it once, then again and the mug is magically refilled. Ole is thrilled and continues to drink. The mug never empties. Then the Genie says "And what about your other two wishes?" Ole thinks for a moment and says "Give me two more just like this one!"

- I had my patience tested. I'm negative.
- Remember, if you lose a sock in the dryer, it comes back as a Tupperware lid that doesn't fit any of your containers.
- If you're sitting in public and a stranger takes the seat next to you, just stare straight ahead and say, "Did you bring the money?"

- When you ask me what I am doing today, and I say "nothing," it does not mean I am free. It means I am doing nothing.
 - I finally got eight hours of sleep. It took me three days, but whatever.
 - PS. - Why doesn't 'Buick' rhyme with 'quick'?
1. In more than half of all states in the United States of America, the highest paid public employee in the state is a football coach.
 2. It costs the U.S. Government 1.8 cents to mint a penny and 9.4 cents to mint a nickel.
 3. Almost half of all Americans (47 percent) do not put a single penny out of their paychecks into savings.
 4. Apple has more cash than the U.S. Treasury.
 5. The state of Alaska is 429 times larger than the state of Rhode Island, but Rhode Island has a significantly larger population than Alaska does.
 6. Alaska has a longer coastline than all of the other 49 U.S. States put together.
 7. The city of Juneau, Alaska, is about 3,000 square miles in size. It is actually larger than the entire state of Delaware.
 8. When LBJ's "War on Poverty" began, less than 10 percent of all U.S. children were growing up in single-parent households. Today, that number has skyrocketed to 33 percent.

Men are like steel. When they lose their temper, they lose their worth.

The 6th-grade science teacher, Mrs. Parks, asked her class "Which human body part increases to ten times its size when stimulated?" No one answered until little Mary stood up and said "You should not be asking sixth-graders a question like that! I'm going to tell my parents, and they will go and tell the principal, who will then fire you!"

Mrs. Parks ignored her and asked the question again "Which body part increases to 10 times its size when stimulated?"

Little Mary's mouth fell open. Then she said to those around her "Boy, is she going to get in big trouble!"

The teacher continued to ignore her and said to the class "Anybody?" Finally, Billy stood up, looked around nervously, and said "The body part that increases 10 times its size when stimulated is the pupil of the eye".

Mrs. Parks said "Very good, Billy" then turned to Mary and continued. "As for you, young lady, I have three things to say: One, you have a dirty mind. Two, you didn't read your homework. And three, one day you are going to be very, very disappointed"

Useless Information: The 3 Musketeers bar was originally split into three pieces with three different flavors: vanilla, chocolate and strawberry. When the other flavors became harder to come by during World War II, Mars decided to go all chocolate.

We Are All Free

Independence Day was approaching and the teacher took the opportunity to teach her class all about patriotism. She said to them, "You know, we live in a great country. And one of the best things about it is that we are all free."

At this, a little boy marched up to her from the back of the class, put his hands on his hips and said angrily, "I'm not free. I'm four."

Guaranteed to Roll Your Eyes

I had noticed that my 60-year-old father seemed to be losing his hearing, so I mentioned it to my mother.

"Things haven't changed that much," she said. "The only difference is, before he didn't listen to me. Now, he can't."

Why is the man who invests all your money called a broker?
