Note: Facebook does not take a percentage if you are raising money for a nonprofit.

Sample text: For my birthday this year, I'm asking for donations for the UnityWorks Foundation. UnityWorks is a nonprofit educational organization committed to a belief in the oneness of humanity, the value of diversity, and the need for unity. Its mission is to promote cross-racial and cross-cultural understanding, equity and inclusion, with a focus on K-12 schools.

I've chosen UnityWorks because its mission is critical to our future. Our youth and children are forming the values right now that will affect our world for generations to come. I hope you'll consider contributing as a way to celebrate with me. Every little bit will help me reach my goal. For more information about UnityWorks: www.unityworks.org.

THANK YOU!
